ACKNOWLEDGEMENT

It may be acknowledged that a study of the research work cannot be completed without the constant help and encouragement from various people to whom I owe a sincere debt of gratitude.

First of all, I am highly grateful to Almighty whose invisible presence is partisan for me that produced inner and outer strength to complete this monumental task.

The words can never express my feelings of deep gratitude, indebtedness and reverence to my esteemed guide and research supervisor Dr. (Mrs.) Vibha Awasthi, Professor, Choudhary Dilip Singh College of Education, Bhind (M.P.). This research study could not have seen the light of the day without her invaluable supervision. I am obliged to her for the motivation, indispensable support, guidance, untiring and constant efforts and keen observations given to me in order to complete this thesis. Her warm attitude, enlightening tasks and ever willing help always sustained me in my efforts and inspired me to pursue my work patiently and consistently.

I, also, would like to extend my thanks and deep sense of gratitude to Dr. Chandrakanta Jain, Head, Department of Education, Dr. Rani Dubey, Assistant Professor, Department of Education, Dr. Diwakar Shukla, Professor, Department of Mathematics & Statistics and Dr. G.L. Puntambekar, Head, Department of Commerce, at Dr. H.S. Gaur University (A Central University), Sagar (M.P.) and my loving & caring Madam Anuradha Pandey & Rashmi Jain for their cooperation and help at various stages of this work. Their inspiring discussion and timely advice saved me from many errors. It has been indeed an extreme privilege of my life to have been associated with the persons of such caliber.
I gratefully acknowledge my indebtedness to the head teachers and teachers of the different schools for rendering their help in fruitful collection of my data for the research.

I express heartfelt gratitude to my friend Devendra Pathak with deepest appreciation for making invaluable contribution in enrichment and completion of this thesis through encouragement and valuable suggestions at every step.

I also like to extend my gratitude towards Dr. Priya Ranjan, Dr. Kailash Tiwari & Dr. Chandrakant Pandey for their immense help in my research work which facilitated me in smooth conduct of present research.

There are some other friends and colleagues that I must mention who never failed their duty to encourage me. I have no words to thank Dr. Ashish Chaurasia, Monika Govil, Arti Vyas and Nisha Vyas. Their fruitful suggestions and company has indeed made my work one of the most memorable phases of my life.

I am also thankful to Mr. R. R. Patel and Mrs. Sudha Patel who sincerely assisted and helped me in the successful, attractive and effective completion of this work.

I am extremely thankful to my mother Smt. Anjana Bharilya, father Shri Pavan Kumar Bharilya, brothers Romil & Romank and my lovely sister Reshu Viraj Modi who deserve more than a written acknowledgement throughout the process of work because they bestowed their pious blessing, incessant encouragement and instilled in me unquestionable values and morals. I feel my unique privilege to express my veneration towards them.
