ACKNOWLEDGEMENTS

This section is devoted to those who helped and supported me in various ways during my doctoral study.

First of all, I would like to thank to my supervisor Dr. Neena Goyal, Senior Assistant Director, Biochemistry Division, CDRI, Lucknow for the opportunity to join her research group and also for continuous support during all the ups and downs of this work. Her scientific acumen, strong determination, excellent knowledge, immense valuable ideas and never-say-die attitude impressed me a lot. During our association of more than five years, she always supported me with her constructive criticism and words of encouragement. She always praised my abilities to make me feel comfortable. It's really proud to have teacher like her.

My sincere thanks to Dr. C.M. Gupta, Ex Director, CDRI for rendering all necessary facilities needed during the period of experimentation. I fell short of words to express my indebtedness to Dr. J.K. Saxena, Head, Div. of Biochemistry, for his infallible support all through.

I wish to express my gratitude to Dr. Imran Siddiqi for giving me the best introduction in the secret of molecular modeling, he was always found helpful to me with his suggestions and unstinting support.

I also acknowledge to Mr. Ashutosh Kumar, MSB division for his support in my computational studies that made the work proceeds successfully on a forward course.

The financial support in terms of fellowship provided by Council of Scientific and Industrial Research, New Delhi, is gratefully acknowledged.

I am bestowed to thank all the members of Biochemistry Division for supporting me during my stay. My sincere appreciation goes to the entire CDRI faculty and the staff members who were very helpful when approached.

My sincere most gratitude goes my parents, in-laws and all my family members for their blessings, devotion, sacrifice and constant encouragement during my research period.

I am deeply indebted to my wife Uzma, for her constant encouragement and support without which this thesis would never have reached completion. Her love, support and understanding helped me through the long, tedious task of writing and proofread this thesis. I thank her for all her encouragement.

No task can be accomplished without the help and blessings of God; it is the grace of Almighty that I have successfully completed the work.
