ACKNOWLEDGMENTS

I express my deepest sense of gratitude to Dr. B. S. Deshpande for his advice, keen interest and helpful criticism up to the last stage of this work. My sincere gratitude is due to Dr. M. G. Joshi specially for his guidance regarding the statistical treatment used in the thesis and valuable suggestions. I am equally obliged to Prof. M. A. Zambare for his criticism and valuable suggestions regarding the research work.

I must specially mention my gratitude to Mr. N. K. Chaudhari, Principal, Sane Guruji Vidya Prabodhini, Khiroda as he provided all the facilities in using the library and valuable guidance regarding the research work. Similarly the researcher is thankful to the Director, State Institute of Education, Pune-30, the Head Masters of the Secondary-Schools in Jalgaon District, the teachers and students of tenth Standard of the Schools for their valuable assistance. I should specially mention my deepest sense of gratitude to Dr. D. B. Desai, Director, Centre For Advanced Study In Education and the Librarian, Smt. Hansa Mehta Library, Baroda for their help in collecting the related literature and in using the library. Similarly I must specially mention my thanks to the President and Chairman, Bhushan Shikshak Mandal and the Head Master, Satkar Vidya Mandir, Atrawal for allowing me to do this work and granted me leave from time to time for my research work.

I am also grateful to Mr. C. D. Dhande for his sincere help in typing the thesis similarly my thanks are extended to Mr. N. R. Paratane for his help in binding the thesis in a good manner. The researcher is grateful to his wife Sau. Ashalata S. Kolhe, for her constant encouragement and help in checking the different tables without error.

Finally the researcher is obliged to all persons who co-operated directly or indirectly in conducting the research work.

(S. P. Kolhe)
RESEARCHER.
