ACKNOWLEDGEMENT

I am deeply indebted to my respected research guide Dr. A.B. Rao. I would be failing in my duty if I do not acknowledge his inspiration, guidance and encouragements. I would also like to express my deep sense of gratitude to Dr. P.C. Shejwalkar, Director of Institute of Insurance & Financial Sciences Education, Research & Training, Pune for his support, facilities extended and dynamic motivation towards completion of my Thesis. I would also like to mention the suggestions and advice given by Dr. S. Samaddar, Retd. IAS, Ex-Member, UPSC, Shri Shankar Ghose, Scientist, NCL and my beloved mother Smt. Prabha Neogi.

My research study would not have been the light of the day but for, the blessings of my father Late S.C. Neogi, Ex-Chief Executive of NTC.

The most exciting part of the study was primarily data collection. A considerable effort had to be undertaken to collect data from 65 organisations from various parts of the country. The secondary data used was obtained from different Textile goods Export Promotion Councils, Textile Committee, Journals, Dailies, Ministries etc. to whose support I am
deeply indebted. Miss Praful Joshi always responded favourably to my requests for compiling and processing on computer.

My wife, Saswati, daughter Debpiya and son Avishek with their wholehearted support were constant sources of encouragement throughout the course of the study.
