CHAPTER IX:
   Dynamics of Garhwali Women's Health: A Discussion 307 - 332
Bibliography 333 - 363
Appendices 363 - 425
List of Figures

3.1 Location map of Garhwal Himalayas
4.1 State of Uttaranchal with its 13 districts
4.2 Location of Yamkeshwar block amidst the other developmental blocks in Pauri Garhwal
4.3 Baseline study villages in Yamkeshwar block, Pauri Garhwal
5.1 Bunga Gram Sabha focussing on Bunga hamlet
5.2 Birkatal hamlet of Bunga village
5.3 Daurn village with Daurn, Goddi and Masiakhal hamlets
6.1 Annual agricultural livestock forest cycle in Bunga and daurn

List of Charts

5.1 Standard two-year (2000-2002) crop rotation on rain-fed terraces in Bunga and Daurn
6.1 Main types of women’s and men’s agricultural work

List of Tables

2.1 Classification of Villages in Yamkeshwar Block according distance, size and inter-censal population growth
2.2 Villages selected for baseline survey
2.3 Villages that fulfilled the selection criteria for the in-depth study
3.1 Details of Land Tenures in Garhwal (Areas in Acres)
4.1 Location, Landuse pattern and infrastructure of the baseline villages
4.2 Basic household and population profile of the baseline villages
4.3 Distribution of households according to primary (main) source of livelihood.
4.4 Distribution of 542 households according to land holding size and caste
4.5 Distribution of the households according to landholding size, caste and migration status of the households
4.6 Distribution of 550 migrants by landholding size and caste
4.7 Socio-demographic profile of out-migrants
4.8 Distribution of migrants according to their occupations 149
4.9 Total period of migration for 550 migrants 149
4.10 Place of migration 150
4.11 Annual remittances sent 151
5.1 Cereal sufficiency (in months) for the 102 households 168
5.2 Sufficiency period of rice and wheat for 102 households 169
5.3 Distribution of household according to land ownership by caste status 178
5.4 Distribution of households according to land ownership, caste and migration status 180
5.5 Resident households ascending to migration status and main occupation 181
5.6 Education Status of the Village Population in Migrant and No-migrant households 182
5.7 Comparative distribution of households according to land owning and cultivation status 183
5.8 Shifts from ownership to cultivation categories in migrant and non-migrant households 184
5.9 Distribution of households according to land cultivated and migration status 186
5.10 Distribution of households according to type of family 188
5.11 Distribution of households according to headship 189
5.12 Age-sex distribution and sex ratio of migrant and non-migrant population 190
5.13 Number of adult males (above 18 yrs) per household 191
5.14 Number of adult females (above 18 yrs) per household 191
5.15 Distribution of households according to housing structure 195
5.16 Consumer goods ownership by migration status of the households 196
5.17 Livestock holding in migrant and non-migrant households 197
5.18 Annual expenditure wise distribution of the 102 households 198
6.1 Gender division of labour in agricultural activities in migrant and non-migrant households (in percentage) 206
6.2 Distribution of migrant and non-migrant households according to who performs each agricultural activity (primary and assisted) 207-9
6.3 Gender divisions of labour for animal husbandry activities by migration status of the household (in percentage) 213
6.4 Who perform animal husbandry related tasks in migrant and non-migrant households (in percentage)

6.5 Gender division of labour for domestic task by sex and migration status of households (in percentage)

List of Appendices

A 2.1 Total number of households in each cluster/cell of the villages classified as in Table 2.1

A2.2 Total number of households to be surveyed in each strata/cluster

A2.3 Distributional profile of households each of the four villages

A3.1 Details of Famines, *Mahamaris* (epidemics) and other natural calamities between 1815 – 1915 in some parts of Garhwal and Kumaon Himalayas

A4.1 Land change analysis of Pauri Garhwal District from 1974 – 1994

A4.2 Change in number, net sown area, average size and structure of land holding in Pauri Garhwal

A4.3 Productivity of important crop (kgs/Ha) in Pauri District and Garwhal region

A4.4 Proportion of cultivators to total population and to the total work force (rural) in Garhwal districts (in percentage)

A4.5 Literacy rates by sex in 1991 and 2001

A4.6 In-migration, out-migration and net migration in Garhwal district in 1961 and 1981 (as percentage to the population)

A4.7 Population growth rate and sex ratio (females per thousand males) for Pauri Garhwal district (1901 – 2001)

A4.8 Percentage variation of population in Garhwal and Uttar Pradesh (1901- 1991)

A4.9 Density of population in Garhwal (1971 – 2001)

A4.11 Sex ratio (female per 1000 males) for all India (1921 – 2001); Uttar Pradesh (1901 – 1990); Uttaranchal (1991 – 2001) and Pauri Garhwal (1901 – 2001)

A4.14 Population of main, marginal and non-workers (in percent) and the distribution of main workers (rural) into various economic activities in Pauri Garhwal and Garhwal region (1991) 376
A4.15 Land use pattern in Pauri Garhwal district as per 1996 – 97 377
A4.16 Population pressure on land resources in Pauri Garhwal 1990 – 91 377
A4.17 Profile of Yamkeshwar Block, Pauri Garhwal district 378
A4.18 Population and occupation in Yamkeshwar (1991) 379
A5.1 Population distribution of study villages including and excluding migrants 380
A5.2 Percentage distribution of the main sources of incomes for the 102 households 380
A6.1 Sexual Division of Labour by Migration Status and Land Cultivation (in Percentage) 381 – 383
A8.1 Cases of Accidents in the study area 384

Tools of Data Collection
AS2.1 Baseline Survey Schedule 385
AS2.2 Village Schedule 387
AS2.3 Household Interview Schedule I 393
AS2.4 Household Interview Schedule II 401
AS2.5 Household Interview Schedule III 405
AS2.6 Household Interview Schedule IV 408
AS2.7 Interview Guide I (for women) 412
AS2.8 Interview Guide II (for by informants) 421
AS2.9 Observation Checklist 423
