ACKNOWLEDGEMENT

I wish to thank my Supervisor Dr. N. Rajendran, former Head, Department of Linguistics, Kariavattom, for his valuable guidance and assistance and stimulating suggestions in the whole process of my research exertion.

I am also grateful to Dr.S. Kunjamma and Dr. A. Rose Mary, Senior Lecturers, Department of Linguistics, Karivattom for all the timely assistance I received from them in the course of my work.

I owe a special note of gratitude to S.Saji, Research Scholar, University of Kerala who helped me with the statistical analysis of the data.

I would also wish to thank Professor V. Sasi Kumar, CIEFL, Hyderabad who was insightful and perspective in his valuable suggestions for accomplishing this work.

I appreciate the help of the library staff at CIEFL who were extremely helpful in assisting me with research material. My thanks are also extended to the librarian at ISDL, Thiruvananthapuram.
Above all I would like to thank the Office Staff of the Department of Linguistics for the help received during the course of this work.

I am equally indebted to all the Principals, Teachers and Students of the various colleges for granting me permission to assess the participants who were instrumental in the fact finding activities of this work.

I am extremely grateful to all the participants who provided me rich and detailed data for the study.

Finally I thank my husband who stood by me and encouraged me throughout this endeavour and my children who have directly or indirectly rendered necessary support to me at all times. And a word of thanks to everyone who gave me the possibility to complete this work.
