ACKNOWLEDGEMENT

I wish to record my deep sense of gratitude and indebtedness to Dr. M. Shahul Hameed, Professor and Head, Department of Industrial Fisheries, Cochin University of Science and Technology, for his valuable guidance, encouragement and unfailing support given throughout the period of my research work.

I express my sincere thanks to Dr. C. T. Samuel, Former Head, Department of Industrial Fisheries, for providing necessary facilities during the initial period of my work in the Department.

I am thankful to the Cochin University of Science and Technology for providing me a Senior Research Fellowship during the tenure of my work.

I am greatly indebted to Mr. Macsy, skipper of M.V. Prasikshani, who had helped me in the collection of parasites.

My thanks are also due to Dr. Shaju Thomas, Lecturer, Nirmala College, Muvattupuzha for his valuable suggestions during the preparation of the thesis.
I am greatly indebted to Dr.(Mrs) Sophy John, Lecturer, School of Marine Sciences, Mr. K.V. Pauly and Mr. Bellarmine. K.C., Research Scholars, Department of Industrial Fisheries, for their whole hearted cooperation and help during the preparation of this thesis.

I wish to thank all my colleagues, friends and others who had directly or indirectly involved themselves in this work.

I wish to record my profound gratitude to my parents and sister for their support and encouragement during the course of this work.
