

ACKNOWLEDGEMENTS

I have lot of people I would like to thank for helping to make this thesis.

In particular I am indebted to Dr. Mrs. Asha A. Verulkar, Principal, JDC Bytco, Institute of management studies and research Nasik for being my guide and whose benevolent and encouraging words have steered my work and stirred my intellectual fervor.

During this course of my research many people helped in execution. I value the help that they did a lot .I am thankful to Ms Renuka Ramnath, ICICI venture, Mr. Satish Kataria, Religare venture capital, Mr. Shyam Singhania, Ennar capital for bringing my ideas to conclusive test either formal or experimental.

I am also grateful to National Entrepreneurship network, particularly Mr. John Mullins who played a major role for incredible helping in shaping my academic perspective.

Last but not least I wish to thank my family members and well wishers whose constant encouragement meant a great deal of support for my research.

I wish to place my honored appreciation and sincere thanks on records for all respondents' for having extended timely and highly informative inputs for the project.
