Acknowledgement

I feel immense pleasure in expressing my deep sense of respect and gratitude to my mentor and supervisor, Department of Economics, Central University of Rajasthan. Her guidance and endless encouragement throughout the course of this study has been great value for me. Her able guidance made my journey through the maze of this complex subject not only smooth but enjoyable as well. The debt which I owe to her can never be adequately acknowledged.

I am grateful and express my heartiest indebtedness to Prof. S. N. Ambedkar, Dean, School of Social Science, CURaj for his help and encouragement throughout the course of my research. I put it on record my deep gratitude to the Dean.

Faculty members of the Department of Economics, CURaj has always been a source of inspiration for me and their suggestions and valuable comments in several occasions have helped a great deal making the uphill task a reality.

I wish to express my sincere thanks to Dr. Mohanakumar, s., Institute of Development Studies, Jaipur for introducing me to research during my M.A. internship in IDSJ. I express my sincere gratitude for his critical comments, constructive suggestions and time spent for my research. I wish to record my sincere thanks to Dr. Motilal Mahamallik, IDSJ, and research scholars of IDSJ and Department of Economics, CURaj.

Ms Savitri Joshi, my best friend in CURaj has always been an inspiration for me to accomplish the task in hand. I do hereby place it on record her valuable companionship, especially when the research work placed me in great stress. I am sincerely thankful to her. My large group of companions in CURaj has accompanied me throughout my journey of research filled occasionally with tremors and cyclones. I really want to thank each and every one of them.
It would be impossible to record here the valuable helps and assistances, I have received from my innumerable friends, some of them who need special mention are Neeru, Rahul, Garima Tomar, Preeti Verma, Pakhuri Mehta, Seema, Garima Sharma, Sanjay Lamba, Ankit Sharma, Deepesh Neelam, Gyandeep, Gurpreet, Naveed Loan, Bajrangi Gupta and Shikha Goel.

I will be failing in my duty if I don’t acknowledge my loving juniors’ Vanita, Sarita, Affifa and Deepam. I am thankful to the non-teaching staff of the Department for their kind cooperation and support. I warmly acknowledge their help in completing many formalities during the course of the present work. I am also thankful to the staff in the library and office of CURaj for their help during the preparation of my thesis.

Last but not the least, my deepest thanks goes to my dearest parents, father, Mr. Thana Singh Sandhu and mother Smt. Ranjeet Kaur Sandhu, for being with me in every step of my life. My Grandma has always left a sense of being with me even in her physical sense in the hostel of CURaj. I am thankful to my loving and caring younger brother Mandeep Singh Sandhu and sister Smt. Ramandeep Kaur who taught me that how to do the work with dedication in every phase of life. I am also thankful to my brothers-in-law Mr. Harvinder Singh. Finally, special thanks to my nearest and dearest uncle, Mr Khaju Lal Chauhan and his wife, Smt. Kaushalya Chauhan.
