P R E F A C E

I acknowledge with gratitude the guidance that I received from Dr. D.K. Garde, M.A., D.Litt., Professor and Head of the Department of Politics and Public Administration in the preparation of this thesis. Dr. Garde was always kind and courteous to me in spite of his multifarious duties and preoccupations. I owe much to him, but it is a privilege to remain in debt with him for the keen and sustained interest he took in me and more for the imbibing of critical outlook in study which will ever remain with me as a precious possession and momento too of my revered teacher.

I am equally grateful to Prof. R.M. Bapat of Poona University, Principal V.G. Oke, Vice Principal S.P. Sohoni and Prof. Kardile, my superiors at the H.P.T. College, Nasik and Principal Donfre of College of Education, Nasik and Dr. P.R. Bapatkar of S.P. College for their encouragement, assistance and help in various respects.

I am also thankful to the Library Staff of the Jaykar Library for extending assistance and courteous treatment and to Shri Gokhale and Shri Joshi for their prompt and accurate typing work executed by them.

The specific sources on which the discussion is based are indicated at the end of each chapter and the bibliography of the source material has been appended at the end of the thesis.
