ACKNOWLEDGEMENT

At the outset, I should record a sense of gratitude towards my guide Dr. S. S. Bahulkar who had suggested this topic for the thesis. Under his supervision, enlightening guidance and constant encouragement I was able to carry out the work to a finish.

I must thank Dr. P. P. Gokhale who very kindly went through some portion of the thesis and offered valuable suggestions. Without which it would have been difficult to complete the work.

I express my deep sense of gratitude to Dr. M. G. Dhadphale, Dr. Heera Adyantaya, Dr. C. G. Kashikar and Pandit V. B. Bhagwat for their constant encouragement in completing this thesis.

I owe a great debt to the librarian of Shri Balmukund Lohia Centre of Sanskrit and Asian Studies, the librarian and staff of the Bhandarkar Oriental Research Institute and the librarian of Centre of Advanced Studies in Sanskrit, University of Pune, who helped me in getting whatever reading material I needed.

I wish to express my sincere thanks to Mr. Parimal Patil and to Mr. Prasad Joshi who helped me directly in getting some reading materials.

I must also thank the teaching and non-teaching staff of the Shri Balmukund Lohia Centre of Sanskrit and Asian Studies for their encouragement and kind co-operation in completing the thesis.

Finally, I express my sincere thanks to all those who have guided and helped me directly or indirectly to complete this work.
