CONTENTS

ACKNOWLEDGEMENT (i)
LIST OF TABLES (ii)
LIST OF CHARTS (iii)
LIST OF GRAPHS (iv)

CHAPTER - 1 INTRODUCTION

- Indian Economy at the Cross Roads
- A profile of the Economy of Tamil Nadu
- Significance of the Proposed Study
- Nature and Scope of the Study
- Objectives and Hypotheses of the Study
- Methodology of the Study
- Time framework
- Livestock Resources in India
- Availability of Hides and Skins
- Historical Profile of the Indian Leather Industry
- Leather Industry in Tamil Nadu State
- Concluding Remarks

CHAPTER - 2 TANNING INDUSTRY IN INDIA

- General Features
- Distribution of Tanneries
- Capacity Utilisation
- Present Status and Future Outlook of Tanning Industry
- Cost Analysis and Value added by Tanning Industry
- Socio-Economic Impact of Tanning Industry
- Environmental Implication of Tanning Industry
- Concluding Remarks
CHAPTER - 3 LEATHER PRODUCTS SECTOR IN INDIA

- Introduction
- Footwear Sector
- Leather Garments Industry
- Leather Goods Sector
- Overview of the Leather Industry Sector and its Export potentials
- Concluding Remarks
- Case Studies of the Selected Leather units in Tamil Nadu
- Concluding Remarks

CHAPTER - 4 PROBLEMS OF THE INDIAN LEATHER INDUSTRY

- Working Definitions
- Analytical Approach to Planning for Indian Leather Industry Sector
- Stress Tree
- Problem Analysis
- Identification of Action Areas
- Programme Objectives
- Programme Abstract for the Development of the Indian Leather Industry
- Functional Linkage Matrix
- Concluding Remarks
CHAPTER - 5  INDUSTRIAL DEVELOPMENT POLICY IN INDIA, WITH REFERENCE TO LEATHER INDUSTRY
• An Overview
• Industrial Development in India
• Industrial Policy
• Concluding Remarks

CHAPTER - 6  ROLE OF CENTRAL LEATHER RESEARCH INSTITUTE IN THE DEVELOPMENT OF LEATHER INDUSTRY IN INDIA
• About CSIR and CLRI
• CLRI and the Indian Leather Industry
• 33rd Leather Research Industry Get together (LERIG)
• 13th India International Leather Fair, 1998
• Concluding Remarks

CHAPTER - 7  TRANSFER OF TECHNOLOGY AND TECHNICAL ASSISTANCE FROM DEVELOPING TO ANOTHER DEVELOPING COUNTRY WITH PARTICULAR REFERENCE TO LEATHER INDUSTRY (INDIA AND SUDAN)
• Definition of the Concept
• Technical Dualism
• Relevance of the Technology Transferred
• Technology Transfer from Research Laboratory to Industry
• Transfer of Technology from a developing Country to another developing country (Between developing Countries)
- Inhibiting Factors
- Source of Technology
- India's Technological capability, status and trends
  of Economic and Industrial Development
- Leather Industry in Sudan
- Transfer of Technology in Leather Industry from
  India to Sudan
- Concluding Remarks

CHAPTER - 8 SUMMARY, CONCLUSIONS AND
RECOMMENDATIONS

APPENDICES 1-8
