Acknowledgements

It is with great pleasure and deep sense of gratitude that I thank my guide Dr. S.B. David, M.Sc. (Bom.), Ph.D. (Manchester), F.M.A.S., Prof. and Head, Department of Botany and Microbiology, University of Poona, for suggesting the problem and for his valuable help, guidance and encouragement throughout the course of these investigations.

I am indebted to the Council of Scientific and Industrial Research, New Delhi, for the award of a Junior Research Fellowship from January 1976 to December 1978 and University of Poona for awarding stipend from January 1979 to June 1979.

My sincere thanks are due to Dr. Cerny, V., Institute of Organic and Biochemistry, Czechoslovak Academy of Sciences, Prague, and Dr. Jayaswal, S.B., Pharmaceutical Section, B.H.U., Varanasi for generous gift of authentic samples of Holarrhena alkaloids.
