List of Figures

S.N.   Particulars

1. Map showing the location of study area
2. Climatic condition of Orai.
3. Ombrothermic diagram of Orai
4. Moisture percentage of the soil.
5. Effect of nitrogen on dry forage production.
6. Effect of phosphorus on dry forage production
7. Effect of legume introduction on dry forage production
8. Effect of nitrogen on crude protein content
9. Effect of nitrogen on fat content
10. Effect of nitrogen on crude fibre content
11. Effect of nitrogen on carbohydrate content
12. Effect of phosphorus on crude protein content
13. Effect of phosphorus on fat content
14. Effect of phosphorus on crude fibre content
15. Effect of phosphorus on carbohydrate content
16. Effect of legume introduction on crude protein content
17. Effect of legume introduction on fat content
18. Effect of legume introduction on crude fibre content
19. Effect of legume introduction on carbohydrate content
