Preface

Most deeply and most directly I am indebted to Dr. D.K. Gerde, M.A., D.Litt., Head of the Department of Politics and Public Administration, University of Poona, my research guide. I have no words to express adequately my debt to him for his valuable and inspiring guidance, his fraternal attitude and sympathetic consideration of my difficulties. I really feel that it was a great pleasure for me to prosecute this study under his guidance.

I am sincerely grateful to Professor D.N. Pathak, Director in-charge and Professor of Political Science, University School of Social Sciences, Gujarat University, for offering facilities in my research work in Ahmedabad.

A study of this nature could not have been completed without liberal library facilities. For their help I wish to express my appreciation to the Librarians of Gujarat Vidyasabha, Gujarat Vidyapeeth, Gujarat University, Ahmedabad; Mumbai Marathi Granthashaala, Bombay; Pune Marathi Granthashaala; Kesari-Maratha Granthashaala, Servants of India Society's Library, and Government Divisional Library, Poona.

Thanks are also due to Professor V. N. Gothiskar and Shri D. V. Kulkarni, for going through the manuscript; and to Shri M. G. Gokhale for typing the thesis mostly in a very short time.

I am also thankful to my wife Mrs. Sudha Kshire, whose willingness to accept my preoccupations with almost a sense of duty has been my main source of inspiration.

I acknowledge my debt to all authors, journals and publishers whose books and publications I have utilized as sources of this study. My debt to them will be clear from the notes and the appendix at the end.

The persons by discussion with whom I profited are many but they would prefer anonymity.

Two points may be noted with regard to the reference: first, instead of page numbers of 'Lokahitwadikriti N Iranchasana' and 'N Iranchasana' letter numbers have been quoted; and secondly, for convenience of typing, Marathi and Gujarati references are given separately.
