ACKNOWLEDGEMENT

Research is a continuous process undertaken by an individual or a team of persons probing into the never ending, newer avenues of science. Many people known and unknown have contributed to the strengths of the dissertation. It is the matter of pride and elation for me to acknowledge the contribution of those individuals who have been inspirational, supportive and helpful throughout my work, and endowed me most precious knowledge to see success in my endeavor. My work bears the share of all those people and I am heartily grateful to all of them.

In the first place I would like to record my gratitude to my supervisor and guide Dr. Laxman J. Patel, M. Pharm. Ph.D., Ganpat University, for his consent, motivation and suggestions. Above all the most needed, he provided me unflinching encouragement and support in various ways. His truly artistic intuition has made him as a constant oasis of ideas and passions in research, which exceptionally inspire and enrich my growth as a student and researcher. I am indebted to him more than he knows.

With profound pleasure, I express my deepest gratitude for his erudite guidance, timely suggestions, unflinching encouragement, fatherly love and critical remarks for the entire span of my work. His involvement and his originality has triggered and nourished my intellectual maturity that I will benefit from, for a long time to come. His perpetual energy and enthusiasm in research had motivated all his advices including me. In addition, he was always accessible and willing to help me with our research. He has been a pillar of strength and support without whom would not have been brought to completion.

I am indebted to constant inspiration from Dr. D. B. Meshram, Principal, Department of Pharmaceutical Chemistry, Pioneer Pharmacy Degree College, Vadodara for granting me the facilities, encouragement and support for completion of my dissertation work.

I will always be grateful to Shri D. D. Patel President, Om Gayatri Education Trust., Dr. R. A. Patel, Director, Pioneer Medical Campus, Vadodara, for providing facilities to carry out my project and for the moral support. I express my grateful acknowledgment to Dharmsinh Desai University, Nadiad, Oxygen Research Center, Ahmedabad and C.S.M.C.R.I. Bhavagar for providing me the excellent facilities, and kind furtherance for accomplishing this work.

I am honorably thankful to Dr. Samip Shah, Dr. Dhara Patel, Ms. Dipti Gohil, Mr. Sharav Desai, Pioneer Pharmacy Degree College, Vadodara for their suggestions, encouragement and criticism which always gave me untiring enthusiasm and stimulus to improve.
I am also thankful to Mr. Mookesh Patel, Oxygen Healthcare, Ahmedabad for providing MASS, NMR spectra throughout my project and Parul Institute of Pharmacy, Vadodara for providing IR Spectra and Dharmasinh Desai University, Nadiad for performing cytotoxic activity. I express my gratitude towards Mr. Satish Patel, Mr. Ravi Patel, Mr. Raseen Christian, Mr. Mrugank Patel for giving me the important advises and valuable suggestions during my research work.

Collective and individual acknowledgements are also owed to my colleagues Ms. Pooja Patel, Ms. Roshni Patel, Ms. Dinal Patel, Ms. Unnati Shah of Pioneer Pharmacy Degree College for their direct and indirect help during my research work.

I also acknowledge all Non- teaching staff of Ramanbhai Patel College of Pharmacy especially Mr. Bhupendra Rathva and Mr. Kamlesh Bhatiya, Librarian Vijay Ranpara and Office staff for their direct and indirect help during my research work.

I express my thanks to my friends Tushar Patel, Pranav Dudhat, Rajas Dabhi, for their moral support. Even their presence made whole atmosphere live, I am thankful to all of them for making my time really enjoyable and productive.

A man without imagination is like a bird without wings. With respect, I would like to say heartiest thanks and too much love to my Mother, Mrs. Induben Ravani and Father, Mr. Meghjibhai Ravani, My Son, Kiaankumar Ravani and My Beloved wife Mrs. Vaishali Ravani for their energetic and moral support which boosted my spirits. It is because of them I have reached the place where I am today. They have inspired me in my each and every step of my life and difficult situations. I specially thankful to thanks to My Brother Amit Ravani and Ripal Ravani whose love always motivate me. My family has been my strength and I thank them from bottom of my heart.

I would like to reserve a special line for my wife Vaishali, Her unwavering love, understanding and constant support which have made my life a wonderful. Vaishali has always been a source of constructive criticism, astute thinking and helping hand. She has always motivated and inspired me in many ways. Her continuous supports encourage me to be the best that I can be.

Last, definitely not the least I pay reverence to the almighty, omniscient, omnipresent, omnipotent, supreme soul who has perpetually patronizes me with the contentiousness and love.

I also thank all well wishers and all those persons who helped me directly or indirectly during my Ph. D. and I can’t list those names here.

Date: Rasik M. Ravani
       (M. Pharm.)
