LIST OF TABLES

Table 1.1: Number of journals subscribed per year 15
Table 1.2: Library budget allotted through Calcutta University Library Budget per year 16
Table 3.1: Collection development practices in University Libraries (surveyed) in Incia. 62
Table 3.2: Study of budget in different University libraries (surveyed) in India. 63
Table 3.3: Kinds of annual budget in university libraries (surveyed) in India 65
Table 3.4: Kinds of selection tools and selectors in university libraries (surveyed) in India 66
Table 3.5: Kinds of resources in university libraries (surveyed) in India 69
Table 3.6: Electronic Resources: Year of introduction 71
Table 3.7: E-resources - Kinds of consortium and year of joining 73
Table 3.8: E-Resources 75
Table 3.9: LAN system in university libraries (surveyed) in India 78
Table 3.10: Software used in university libraries (surveyed) in India. 80
Table 3.11: Disaster management adopted by university libraries (surveyed) in India 81
Table 3.12: Collection maintenance in university libraries (surveyed) in India. 83
Table 3.13: Total collection of university libraries (surveyed) in India as per year 2006-07 86
Table 4.1: Study of Expenditure – Economics Department 113
Table 4.2: Average allotment of budget fund (1966-1971) 121
Table 4.3: Year-wise total number of journals 132
Table 4.4: Year-wise total budget. 133
Table 4.5: Campus-wise no. of print journals purchased (2006-2008) 140
Table 6.1: Year-wise average monthly circulation study (issue) of faculty and research scholars for the period 2000-2007 164
Table 6.2: Month-wise average monthly circulation study (issue) of faculty and research scholars (average for the period 2000-2007) 164
Table 6.3: Year-wise average monthly circulation study (issue) of students for the period 2000-2007 166
Table 6.4: Month-wise average monthly circulation study (Issue) of students (average for the period 2000-2007) 166
Table 6.5: Year-wise average monthly use of reference books for the period 2000-2007 170
Table 6.6: Month-wise average use of reference books (average for the period 2000-2007) 170
Table 6.7: Average yearly use of print journals from 11a.m. to 6p.m. 171
Table 6.8: Average monthly time-wise use of print journals in central library, C.U. 173
Table 6.9: Average monthly use of print journals in central library, C.U. 174
Table 6.10: Year-wise average monthly use of print journals in central library, C.U. 175
Table 6.11: Average annual use of print journals by time in central library, C.U. 176
Table 6.12: Year-wise monthly average use of electronic resources by time in central library, C.U. 177
Table 6.13: Year-wise monthly average use of electronic resources in central library, C.U. 177
Table 6.14: Average month-wise use of electronic resources during different time. 178
Table 6.15: Average month-wise use of electronic resources 179
Table 6.16: Average monthly-use of electronic resource during different timings. 180
Table 6.17: Trend of usage (hits) of Inflibnet e-journals (2004-2007) 181
Table 6.18: Trend of usage (pages viewed) of Inflibnet e-journals (2004-2007) 182
Table 6.19: Trend of usage (total visits) of Inflibnet e-journals (2004-2007) 183
Table 6.20: Interlibrary Loan - A Survey of the Central Library from 2000 - 2007 184
Table 6.21: Time-wise Study of Not-Found Slips on 02/04/2007 187
Table 6.22: Month-wise Study of Not-Found Slips from May to December, 2007 188
Table 6.23: Month-wise Study of Not-Found Slips in 2006 189
Table 8.1: Use of print versus online journals 231
