CORRIGENDA

Relevant portion of the observations made by the foreign examiner

[On page 27, I wonder whether 'smoothening' should be 'smoothing'. On page 39, possibly 'Micky Mouse' should be 'Mickey Mouse'. On page 41, there is some repetition regarding Ford. A reference is made to Griliches (1995) on pages 137 and 138 but I could not find it in the list of references].

Candidate's response to such observations

The word 'smoothening' has been corrected to 'smoothing' in page 27 and the word 'Micky' has been corrected to 'Mickey' in page 39. In page 41, there is no repetition regarding Ford, which has been mentioned only once in the 4th last line. The complete details regarding the reference to Griliches (1995) in pages 137 and 138 have been added in the bibliography, i.e., Griliches, Z.(1995), R&D and Productivity: Econometric Results and Measurement Issues in Handbook of the Economics of Innovation and Technological Change (edr., P. Stoneman).
