Acknowledgement

I would like to take this opportunity to express my sincerest thanks and gratitude to my supervisors, Professor Rana Dattagupta of Computer Science and Engineering Department of Jadavpur University and Professor Bhabani Prasad Sinha of Advanced Computing and Microelectronics Unit, Indian Statistical Institute, Kolkata. Their careful guidance and constant encouragement have enabled me to complete this thesis. I have had frequent interactions with them during the course of this work and this has strengthened my analytical power of tackling a given problem. I am truly indebted to them.

I am deeply indebted to Reverend (Dr.) S. Mukhopadhaya, Founder-Secretary, G. Banerjea, Registrar and Dr. (Mrs.) S. Sen, Principal of St. Thomas’ College of Engineering and Technology, Kolkata, for their constant help, advice, encouragement and support all throughout during the tenure of research. I am very much thankful to Professor A. K. Mallick, Professor (retired) of Indian Institute of Technology, Kharagpur, for the constant inspiration I have received from him during the course of my research. I also extend my heartiest thanks to Mr. Ansuman Bhattacharya of Indian Statistical Institute, Kolkata, who provided immense help to me in my research work.

I express my sincerest thanks to Mrs. Sumita Sinha for constantly encouraging me right from the beginning of my research. I also thank Dr. Koushik Sinha of HP Labs, Bengaluru, for helping me in all possible ways during the research.

I would like to thank Jadavpur University and Indian Statistical Institute, Kolkata for providing
me an excellent research environment and the opportunity to get acquainted with distinguished researchers during the last couple of years of this research work.

I must also mention the constant help and inspiration I have received from Professor Bhargab Bikram Bhattacharya, Professor Nabanita Das, Professor Subhas Chandra Nandy, Professor Krishnendu Mukhopadyaya, Dr. Sasthi Charan Ghosh and many others of Indian Statistical Institute, Kolkata, during the course of my research.

Last but not the least, I feel a deep sense of gratitude towards my wife and my son for their unending inspiration, patience and sacrifice.
