ACKNOWLEDGEMENTS

I express my heartiest thanks and gratitude to my supervisor Dr. S.S. Deora for his able guidance and support. He has always encouraged me to think constructively and motivated me to come up with innovative ideas. It is only because of his patience, understanding and ability to show the correct direction at times of crisis that this work could be completed. Sir, you have been a pillar of strength for me.

I am also highly grateful Professors to Dr Varun Sahni and Amitabh Mattoo for their encouragement and valuable inputs. I also thankfully acknowledge the other faculty members and staff members of CIPOD who were always willing to extend help at times of need.

I owe special indebtedness to Professor R. K. Kale (Chief Proctor, JNU) and Madam Rekha Lakshman for their constant support at every step.

I wish to express my thanks to Professor Bryan Storey (Director of Gateway Antarctica, University of Canterbury, Christchurch, New Zealand) for his help in conduct of the research study (field work) at his centre. I am also thankful to Susannah Hwtin (Administrator, Gateway Antarctica) and Alison Johnston (Librarian, University of Canterbury) for their help.

I express my gratitude to the staffs of Library of Department of Ocean Development, the Library of Institute for Defence Studies and Analyses, Library of the Society of Indian Ocean Studies and the Jawaharlal Nehru University Library for their cooperation and help.

I am obliged to Shri G. Padmanabhan (Regional Director, Reserve Bank of India, Hyderabad), Smt. Deepali Pant Joshi (Chief General
Manager, RBI, Hyderabad), Shri S.C. Mishra (Deputy General Manager, RBI, Hyderabad), Shri S. Rajagopalan (Deputy General Manager, RBI, Hyderabad), Smt. Pratibha Raghavan (Assistant General Manager, RBI, Hyderabad) for their help, support and cooperation.

My thanks are also due to my seniors Hemant, Sanjay, Dr. Shaishav and Dr. Amitabh Singh for timely help and suggestions. I will be ever indebted to them for their benevolence. My special acknowledgement to my friends Shiva, Rakesh, Santosh, Anil, Khatib, Vimal, Rajan, Venkat, Vibhashu, Umesh, Gagandeep, Vishwanath, Rajnish, Rishipal, Prachi, Prapti, Pratyush and Vedhanshu who always came up with constructive criticisms and positive inputs. I have really benefited from the suggestions they made.

I am extremely thankful to my brothers Alok, Anand and Atul for their emotional and moral support, especially during testing times.

Finally, in a work spanning a long duration, it is impossible to recall every person who has helped me to finish this work successfully. I apologise for not mentioning their names here. At the same time, I express my heartfelt thanks to them.

It is possible that there could be some flaws in the presentation or in the composition of the text, for which the responsibility lies entirely on me.

ASHIS
