ACKNOWLEDGEMENTS

“Shree Ganeshay Namah”

It is a moment of gratification and pride to look back with a sense of contentment at the long traveled path, to be able to recapture some of the fine moments, to be think of the infinite number of people, some who were with me from the beginning, some who joined me at different stages during this journey, whose kindness, love and blessings has brought me to this day. I wish to thank each of them from the bottom of my heart.

First and foremost, I wish to pay my homage and devote my emotions to "Lord Ganesha", “The Wonderful Chemist” of this lovely world without whose blessings this task would not have been accomplished. I bow my head in utter humility and complete dedication.

I bow my head with absolute respect and pleasantly convey my heartily thankfulness to my co-traveler and my research guide, most respectable Dr. Praful K. Patel, who continued to support my aspiration with lots of love and encouragement. I consider myself privileged to work under his generous guidance, because I got the newer creative dimensions and positive attitude in my thinking and analyzing capacity, which helped me to make things simple but programmatic. I am always indebted to him. He constantly encouraged me to remain focused on achieving my goals. His observations and comments helped me to establish the overall direction of the research and also move forward expeditiously with investigation in depth.

I would like to extend my deepest sense of indebtedness to shri Chhabilbhai Sanghavi, Hon. President, and all members of SES for their support, encouragement and facilities provided by them to use Maharaja Shre Mahendrasinhji Science College Laboratory.

Above all, I bow my head with utter respect to my beloved parents late Vajiben and Mohanbhai for this accomplishment of my life. Also I can never forget my brithers Valjibhai, Govindbhai and Manshukhbhai.

I do not hence any word to express my gratefulness to my wife Gita and children Tanmay and Utsav who stood beside me during my work. Their love and smiling face boosted up me.
