ACKNOWLEDGEMENTS

Firstly, I gratefully acknowledge my deep sense of gratitude to the Almighty God for Thy spiritual guidance and blessings shown to me to complete this research work successfully.

I bow in humble reverence to the sacred memory of late Rt. Rev. Dr. Zacharias Mar Theophilus Suffragan Metropolitan of Marthoma Church, who gave me an opportunity to serve as a teacher and inspired me to complete this research work. I owe an ever-lasting debt to him.

I sincerely record my deep sense of gratitude to The Vice Chancellor of Manonmaniam Sundaranar University, for permitting me to do this research work in his esteemed institution.

I owe my respectful thanks and I am deeply indebted to the intellectual integrity and infinite patience of my research supervisor Prof. (Dr.) K. S. Chandrasekar, Professor and Director, School of Business Management and Legal Studies, University of Kerala, Thiruvananthapuram for the continuous support of my research work, for his patience, motivation, and immense knowledge. His guidance helped me in all the time of research and writing of this thesis. I could not have imagined having a better advisor and mentor for my research study.

I sincerely record my heartfelt thanks to Prof. (Dr.) M. Ramakrishnan, Dean of Arts, M. S. University, Tirunelveli, for permitting and supporting me to do this research work.

I express my sincere thanks to Prof. (Dr.) B. Rajasekaran, HOD, Department of Management Studies, M. S. University Tirunelveli, for his support in the completion of this research work.

I owe my respectful thanks to Dr. S. Madhavan, Assistant Professor, Department of Management Studies, M. S. University for his timely support and guidance to complete this research work.
I sincerely record my deep sense of gratitude to Prof. (Dr.) E. S. Jeevanand, Head of the Department, Department of Mathematics, U.C. College, Aluva and Mr. Marvin for their timely guidance and support in analyzing the data.

I express my sincere thanks to Dr. Rajan Varughese, Director of Marthoma College of Management and Technology, Perumbavoor, for his timely support and guidance to complete this research work.

I express my sincere thanks to Fr. George Mathew Munjanattu, Prof. Siby John, and Mr. V. Ajith for their support, encouragement and kind helps during my difficult times, which was instrumental in the completion of this research work.

I am bound to extend my sincere thanks to the managers of consumer durable goods manufacturers and retailers in Kerala, and to the customers of consumer durable goods for providing necessary information for completion of this research work.

My beloved parents, Mr. George Samuel, and Mrs. Ponnamma George receive my deepest gratitude and love for their dedication and the many years of support till my postgraduate studies that provided the foundation for this work. I am grateful to my brother Mr. Alwin George, who constantly encouraged and helped me to accomplish this task successfully.

Finally, and most importantly, I would like to thank my wife Liji and my daughters Hanna and Sarah for their support, encouragement, quiet patience and love, were undeniably the bedrock upon which my life have been built for last seventeen years. Although they often had to endure my absence they seldom complained. Without the support of my family, I would never have succeeded in completing this research study.

STANLEY GEORGE
