ACKNOWLEDGEMENT

I would like to express at the very beginning my deepest gratitude and sincere appreciation to my guide Dr. Suresh K. Patil, Head Department of Library and Information Science, University of Pune. His able guidance, encouragement and personal affection has continually given me his utmost guidance, along with generous and valuable assistance that has enabled me to complete this thesis.

This thesis could not have been accomplished if there were no assistant provided by staffs of the universities in the North of Thailand. Without the kind effort and cooperation given from all respondents this thesis would not be successfully conducted and accomplished. I sincerely acknowledge them for providing me useful information for the research through the questionnaire and interview schedules that they took part in.

I would like to thanks Dr. (Mrs.) Neela J. Deshpande, Mrs. Asha Umarani and all teachers in the department for their generous cooperation during the studying at the University of Pune. Grateful acknowledgements are made to the library staff of Jayakar Library and the officers of University of Pune for their friendly cooperation and support as well.

I take this opportunity to express my sincere thanks to Mr. N. B. Dahibhate from NCL Library and Dr. Nagnath R. Ramdasi from CDAC for making fruitful suggestions. My special thanks also goes to Dr. B. M. Pange, Assistant Librarian of Jayakar Library, who always inspired and supported me.

I am also grateful to Ms. Janet, Spicer College for editing this work and also thanks to Mr. Michael Robert Rupin, who re-edited, recommended, and suggested new ideas.

I would like to express my gratitude to Mrs. Suhasini Patil, who had both welcomed me warmly and continuously encouraged me throughout the research process. My heart felt thanks to her for treating me as family.

My thanks also go to my international friends who live in International Transit House and International Student Hostel that Ms. Thien, Mrs. Rupiasih, Ms. Shahnaz, Ms Priya, Mrs Nitika, Mrs. Asami, Ms. Ishavari, Mr. Hasan and Mr. Richard.

My special thanks to Ms. Dussadee Panya, who has helped in correcting my English and was there for me during my stay and study in India.
I record my sincere thanks to Ms. Rungruedee Anusorn and Mr. Kampeeraphap Intanoo for the neat and accurate proof, the encouragement and support in various ways.

I remember with special gratitude my Thai friends in Pune: Phra Dr. Chamnong Wongkong, Phramaha Dr. Prayong Jandaratto, Phramaha Suchart Suchato, Mr. Sommai and Mrs. Kingkaew Patitangkho, Mr. Chote Nuangnan, Mr. Kridchawat Nopsanteah, Mr. Singkam Rakpa and Ms. Sutipran Namkot, all of them have been kind and helped me in numerous ways during my research.

I would like to dedicate this work to my parents, my sister, my brother-in-law and my relatives for their constant patience, sacrifices, inspiration and love. This research would not be complete if there was no support from them.

I am particularly grateful to Naresuan University, Phayao Campus, Thailand for giving me financial support and the scholarship that enabled me to devote myself in this study.

Lastly, I would like to express sincere appreciation to those whose names are not mentioned but have contributed a lot in accomplishing this thesis.
