Kadu, HOD of Applied Chemistry, Anuradha Engineering College Chikhli. For their deep concern and continuous helping starting to completion of this work.

I am immensely thankful to the librarians, Principals, Secretaries and Presidents of engineering colleges of Amravati Division in the Western Vidarbha Region of Maharashtra State
for furnishing the basic data for the study, without their cooperation and help this thesis would not have been possible.

I will be failing in my duty if I do not express my deep sense of gratitude to my parents, my father Prof. D.B. Belsare, Retd. Physical Director, K.L. College Amravati, My mother Mrs. Padamatai D Belsare and My big brother Shri G.D. Belsare, Amravati for their moral support which made this work possible. I also like to put on record the calm bearings of my wife Mrs. Maya S. Belsare during the completion of this work.

Lastly I am thankful to them who directly or indirectly helped me during the completion of this work.
