Acknowledgements

All the praise and thanks to “Almighty Allah”, who inspires entire humanity towards knowledge, truth and eternal commendation. He blessed me with strength and required passionate ardour to overcome all the obstacles in the way of this toilsome journey.

I feel privilege in expressing my profound sense of gratitude, high esteem and indebtedness to my venerable supervisor, Dr. Mohd. Akram, Associate Professor, Department of Chemistry, Aligarh Muslim University, Aligarh, for his excellent spirit, illuminative and precious guidance, keen interest, critical opinion and valuable suggestions, during the course of my work,

Words are inadequate to express my gratitude to a legendary figure and prominent scientist, Prof. Kabir-ud-Din, for his eminent guidance, intellectual discussions, undivided attention, helping hand and remaining a source of encouragement for me throughout the progress of this work. Sir, you taught me “Work is Worship” a food for my whole life. Without your guidance this work was not possible. Thank you.

I am very grateful to the Chairman, Department of Chemistry, A.M.U., Aligarh, for providing me necessary facilities.

Sincere thanks to Dr. Andleeb Zehra Naqvi for her help and guidance during different stages of this work.

Loving thanks and best wishes to my seniors and laboratory juniors, Dr. Jeenat Aslam, Dr. Nazish Fatma, Dr. Farah Khan, Dr. Ahmad Jahan Khanam, Dr. Dileep Kumar, Dr. Kakhashan Anjum, Dr. Gaurav Sharma, Dr. Gamal Ahmad, Ms. Sabreena Yusuf, Dr. Adel Ahmad, Ms. Sana Anwar and Ms. Farah Ansari for providing me every possible help in the various stages of this work.

My special thanks must be reserved for my father, Mr. Mohmad Sultan Bhat (Ex-Lecturer), a role model for me and my mother, Mrs. Sarwa Bhat, for being the source of inspiration, whose dream I have tried to fulfill. Thank you for showing faith in me and inculcating in me the academic simulations right from my childhood.
Thanks to dear sisters (Tahira, Rehana and Fozia) for their constant support and inspiration throughout my Ph.D. tenure.

Thanks to my beloved cousins Mr. Rayees, Dr. Qysar, Dr. Ishfaq and Mr. Waheed, for being the helping hand to my father during my absence.

I am thankful to all of my friends Dr. Muzaffar, Mr. Tariq Shah, Mr. Naushad Anwar, Mr. Ajaz, Mr. Nayeem, Mr. Masoodi, Dr. Ali, Dr. Niyaz, Dr. Nisar, Dr. Zahid, Mr. Waseem, Dr. Naveed, Dr. Irfan, Mr. Kaiser, Mr. Nadeem, Mr. Asim and Mr. Meharaj for their constant support and friendly encouragement during this work.

Financial support of University Grants Commission, New Delhi, India, in the form of UGC-BSR (JRF/SRF) is gratefully acknowledged. Finally, thanks to UGC (DRS-II) and DST (PURSE) for assisting our department.
