ACKNOWLEDGEMENT

I would like to utilize the opportunity to express my deep gratitude to the Department of Business Management, University of Calcutta, for giving me an opportunity to carry on this research work. I also take this opportunity to convey a profound sense of gratitude to my esteemed guides Prof. Nabinananda Sen and Prof. Arabinda Bhattacharya, without whose capable guidance, this effort would not have been fruitful.

Prof. Nabinananda Sen Department of Business Management, University of Calcutta, has always encouraged me to produce high quality research work. His timely and thoughtful inputs have helped me a lot to improve my research work. This research work owes a lot to his valuable suggestions and constant encouragement.

Prof. Arabinda Bhattacharya, Department of Business Management, University of Calcutta, devoted much of his valuable time to guide me. His innovative thoughts and superior analytical skills have taken this complex research work to a whole new dimension leading to international recognition. He has always been by my side throughout my research work. Working with him was an immense learning experience. His great passion for research work was the spirit behind this effort.

Thanks are also due to the management of St Xavier’s College, Kolkata for extending all sorts of help and support to carry out my research work. I am extremely grateful to Rev Dr Felix Raj, sj, Principal of this glorious institution, Rev Dr Dominic Savio, sj, Vice Principal, Department of Commerce and Business Administration and Prof Swapan Banerjee, Dean, Department of Commerce (morning) for providing me the required administrative support for the research. I also would like to express a deep sense of gratitude to Prof. Amitava Ghose, Dean, Department of Commerce (evening) who was a constant source of inspiration to this researcher. I am also thankful to Prof. (Dr.) Ananda Mohan Pal, Department of Business Management, University of Calcutta, for his valuable suggestions and critical comments.

Acknowledgements are also due to the libraries of Indian Institute of Management, Calcutta and Indian Statistical Institute, Kolkata.

Thanks are also due to my family members for moral support and encouragement through difficult times, without which this work would not have been possible. I am greatly indebted to my mother Srimati Pratima Sur for her blessings, my mother-in-law Srimati Anureba Ghosh without whose support, love and affection I would not have been able to achieve this and to my husband Mr Debasis Ghosh for constant support, understanding and cooperation. I would like to take this opportunity to specially thank my daughter Ms Shayantani Ghosh for helping me in various ways throughout my research work.
