ACKNOWLEDGEMENT

I did this present investigation under the supervision of Dr. Sabyasachi Kundagrami, H.O.D. Department of Genetics and Plant Breeding, Institute of Agricultural Science, University of Calcutta. He helped me suggesting my plan of work and clarified every finer detail of my studies undertaken. His experience and perspicacity were main stay in my persuasion of my research. I express my deepest regards to him.

I would also like to extend my gratefulness to Dr. Alak Kumar Mandal, Head Department of Plant Physiology and Director of Institute of Agricultural Science, University of Calcutta for his valuable help and kind support during the tenure of my thesis work. I want to extend my deepest thanks to Dr. Satya Kinkar Pal, former H.O.D. of the Department of Plant Physiology, I.A.S. C.U., Dr. S. Mukherjee, former Professor of Department of Botany, C.U and Prof. P.K.Bandopadhay, ex H.O.D., Department of Plant Physiology, BCKV, all who were members of the PhD. Committee of Plant Physiology Department, CU for their valuable suggestions to improve my research program. I am also very grateful to Prof. P.K. Das, Retd. Head Department of Genetics, BCKV for his continuous support and help in the preparation of my thesis work. A thank is also due to Dr. R.B.Mallick, Head, Department of Agronomy and Prof. T. Dasgupta, former Director Institute of Agricultural Science, University of Calcutta who helped me considerably during the course of my work.

I am indebted to our Farm Manager, Dr. Sudipta Tripathi for helping me organize all the farm trials at Baruipur very conveniently. I would also like to thank Mannan da, for his efforts at field. While for my laboratory works I acknowledge the help I received from our lab assistant Mr. Amar Debnath, Mr. Animesh Roy. I would also like to acknowledge our librarian Mr. Prasad Roy. I express my deep sense of gratitude to my coworkers Sritama Kundu, Mousumi Das, Debashree Roy Choudhary, Biswajit Pradhan, Moushree Sarkar, Aditi Ghosh, Sarita Kumari Pandey, Pritam Das, Biswarup Mukherjee, Baishali Dutta Chowdury, Piyali Guha, Debashis Saha, Sreemoyee Bhattacharya, Anindita Roy and Sanhita Ghosh for their suggestion and kind support during various stages of my work. My special appreciation goes to Avishek Chaterjee, Ashis Chetry for their immense help at various stages pertaining to my research work.
Finally, I express my deepest admiration and gratitude to my parents, my sister, my brother-in-law, and my in-laws who have helped me in every possible way and was a source of inspiration all through my thesis work. I also acknowledge my friends and students for their best wishes which helped me to continue the journey.

And this time to my wife and closest friend ever Debleena Sarkar, a gold medalist of our M.Sc. batch who left all her career, managed the home front that I can do everything I dreamt for.

Kolkata (ANINDYA SANTRA)
