ACKNOWLEDGEMENTS

I am happy to take this opportunity to convey my gratitude to many individuals and authorities without whose help this work would not have been possible. First and foremost, I would like to convey a deep sense of gratitude to my supervisor, Dr. P. Roy, Reader, Department of Geography, Calcutta University for his indispensable guidance and valuable comments throughout the course of this work. I am also greatly indebted to all the faculty members of the Department of Geography for their help and invaluable advice. I would particularly like to express my gratitude towards Dr. M.K. Bandopadhyay and Dr. S.C. Mukhopadhyay, Professors, Department of Geography for their help in all matters connected with this research work. I am also grateful to Dr. H.R. Betal, Professor and present Head of the Department for extending all facilities of the department to me. I also offer my gratitude to Dr. B. Bannerjee, Professor of this department for his valuable suggestions regarding the choice of the suitable name for this thesis.

I am aware that there are many others including colleagues, friends, well wishers, teachers of other institutions, library staff of the Calcutta University and other libraries without whose help and advice this work could not have been done. In this context I would particularly like to acknowledge the help rendered to me by the librarian and library staff of the Census Library, Directorate of Census Operations, Calcutta and staff of the Asansol-Durgapur Development Authority, Asansol Municipality, Kharagpur Municipality and Chandannagar Corporation.
Special thanks are due to two of my friends Smt. Parbati Sen and Smt. Debakshi Ghosh who accompanied me in my field trips and helped me in every possible way in all matters connected with this work.

I would also like to thank Sri S. Rakshit and Sri Kajal Dey for their help in typing the manuscript within a very short time.

Finally, I must thank my family for their constant support and encouragement without which this work could not have been completed in time.
