LIST OF FIGURES

1.1 Location and administrative divisions, West Bengal, 1981
1.2 Location of urban centres, 1981
1.3 Percentage of urban population to total population in India and selected states
1.4 Percentage decadal variation of urban population in India and selected states
2.1 Percentage of urban population to total population, 1901-81
2.2 Percentage share of urban population, 1901-81
2.3 Percentage of urban population in urban centres with a population of 20,000 and over, 1901-81
2.4 Levels of urbanisation, 1901-31
2.5 Levels of urbanisation, 1941-71
2.6 Levels of urbanisation, 1981
3.1 Percentage variation of migrants in urban areas, 1961-71, 1971-81
3.2 Percentage variation of industrial workers, 1961-71, 1971-81
3.3 Percentage variation of industrial workers in the urban centres, 1961-71
3.4 Percentage variation of workers in large and medium scale industries, 1961-71, 1971-81
3.5 Percentage variation of workers in trade and commerce, 1961-71, 1971-81
3.6 Percentage variation of workers in trade and commerce in the urban centres, 1961-71
3.7 Correspondence between percentage variation of urban population and percentage variation of urban migrants, 1961-71, 1971-81
3.8 Correspondence between percentage variation of urban population and percentage variation of industrial workers, 1961-71, 1971-81
3.9 Correspondence between percentage growth of urban population and percentage growth of industrial workers, 1961-71
3.10 Correspondence between percentage variation urban population and percentage variation of workers in large and medium scale industries
3.11 Correspondence between percentage variation of urban population and percentage variation of workers in trade and commerce, 1961-71, 1971-81
3.12 Correspondence between percentage growth of urban population and percentage growth of workers in trade and commerce, 1961-71

4.1 Spatial diffusion of urban centres 1901-31
4.2 Spatial diffusion of urban centres 1941-71
4.3 Spatial diffusion of urban centres 1981
4.4 Locus of the mean points of urban population, 1901-81

5.1 Growth in the number of urban centres and urban population in West Bengal, 1901-81
5.2 Growth in the number of urban centres in the six size classes of urban centres in West Bengal, 1901-81
5.3 Growth in the number of urban centres, 1901-81
5.4 Unified rate of growth of number of towns, 1901-81
5.5 Growth of population in the six size classes of urban centres, 1901-81
5.6 Growth of urban population, 1901-81
5.7 Decadal variation of urban population, 1901-41
5.8 Decadal variation of urban population, 1941-81
5.9 Unified rate of growth of urban population, 1901-81
5.10 Decadal variation of urban population in the urban centres, 1901-11
5.11 Decadal variation of urban population in the urban centres, 1911-21
5.12 Decadal variation of urban population in the urban centres, 1921-31
5.13 Decadal variation of urban population in the urban centres, 1931-41
5.14 Decadal variation of urban population in the urban centres, 1941-51
5.15 Decadal variation of urban population in the urban centres, 1951-61
5.16 Decadal variation of urban population in the urban centres, 1961-71
5.17 Decadal variation of urban population in the urban centres, 1971-81
5.18 Unified rate of growth of population of selected urban centres, 1901-81
6.1 Rank-size relationship of urban centres of West Bengal 1901-31
6.2 Rank-size relationship of urban centres of West Bengal 1941-71
6.3 Rank-size relationship of urban centres of West Bengal 1981
6.4 Rank-size relationship of urban centres of West Bengal 1901-81
6.5 Variation in size-rank exponent (b) during 1901-81.
7.1 Functional classification of urban centres in West Bengal by triangular graph, 1971
7.2 Functional classification of urban centres (Tricomponent method), 1971
7.3 Functional classification of urban centres (after Nelson) Agricultural towns, 1971
7.4 Functional classification of urban centres (after Nelson) Mining towns, 1971
7.5 Functional classification of urban centres (after Nelson) Small scale industrial towns, 1971
7.6 Functional classification of urban centres (after Nelson) Industrial towns, 1971
7.7 Functional classification of urban centres (after Nelson) Construction towns, 1971
7.8 Functional classification of urban centres (after Nelson) Commercial towns, 1971
7.9 Functional classification of urban centres (after Nelson) Service towns, 1971
7.10 Functional classification of urban centres (after Nelson) Transport towns, 1971
7.11 Functional classification of urban centres (after Nelson) Diversified towns, 1971
7.12 Functional classification of urban centres by principal component analysis, component I, 1971
7.13 Functional classification of urban centres by principal component analysis, component II, 1971
7.14 Functional classification of urban centres by principal component analysis, component III, 1971
7.15 Functional classification of urban centres by principal component analysis, component IV, 1971
7.16 Urban morphology, Asansol
7.17 Urban morphology, Chandannagar
8.1 Sex ratio in the urban centres, 1961
8.2 Sex ratio in the urban centres, 1971
8.3 Sex ratio in the urban centres, 1981
8.4 Literacy in the urban centres 1961
8.5 Literacy in the urban centres 1971
8.6 Literacy in the urban centres 1981
8.7 Density of population, Asansol, 1981
8.8 Population density gradient for Asansol, 1981
8.9 Density of population, Kharagpur, 1981
8.10 Population density gradient for Kharagpur, 1981
8.11 Density of population, Calcutta, 1951
8.12 Population density gradient for Calcutta, 1951
8.13 Density of population, Calcutta, 1961
8.14 Population density gradient for Calcutta, 1961
8.15 Density of population, Calcutta, 1971
8.16 Population density gradient for Calcutta, 1971
8.17 Density of population, Calcutta, 1981
8.18 Population density gradient for Calcutta, 1981
8.19 Density of population, Chandannagar, 1981
8.20 Population density gradient for Chandannagar, 1981
9.1 Metropolitan region of Calcutta
