LIST OF APPENDICES

1. Percentage of urban population to total population 200
2. Urban population as percentage of total urban population in the State 201
3. Percentage of urban population in urban centres with a population of 20,000 and over 202
4. Composition index of urbanisation 203
5. Districtwise percentage decadal variation in urban population, migration, workers in industry, trade and commerce and residuals (1961-71) 204
6. Districtwise percentage decadal variation in urban population, migration, workers in industry, workers in trade and commerce and residuals (1971-81) 205
7. Percentage decadal variation of urban population, workers in industry, trade and commerce and residuals in the urban centres, 1961-71 206
8. Average distance (in km) of urban centres in the six size classes, 1901-81 212
9. Unified rate of growth of urban centres and urban population in the districts, 1901-81 213
10. Unified growth rate of population in selected urban centres of West Bengal, 1901-81 214
11. Mean and standard deviation of percentage of working population in different industrial categories in the urban centres of West Bengal, 1971 and scale of distinctiveness (after Nelson) 217
12. Principal component analysis: standardised component scores 218
13. Percentage of working population in primary, secondary and tertiary activities and relative entropy values, 1971 228
14. Crude and refined diversification index of industrial categories of working population in the urban centres, 1971 236
15. Districtwise percentage of urban population in five-year age group 1971 243
16. Districtwise percentage of urban population in five-year age groups, 1971 244
17. Districtwise percentage of urban population in five-year age groups, 1981 245
18. Literacy and sex ratio in the urban centres of West Bengal, 1961-81 246
19. Wardwise density of population and distance from city centre in Asansol, 1981 256
20. Wardwise population of density and distance from city centre in Kharagpur, 1981 257
21. Wardwise density of population and distance from city centre in Calcutta, 1951 258
22. Wardwise density of population and distance from city centre in Calcutta, 1961 259
23. Wardwise density of population and distance from city centre in Calcutta, 1971 262
24. Wardwise density of population and distance from city centre in Calcutta, 1981 266
25. Wardwise density of population and distance from city centre in Chandannagar, 1981 270
