Acknowledgements

First of all, I would like to thank Dr. Pratima Rohatgi, the Head of the Department of Geography; Calcutta University for permitting me to undertake this research work. I would like to thank my guide, Dr. Nilanjana Das, Reader, Department of Geography, for her patience, support and guidance during my research. She has supervised my Ph. D thesis, taught me how to maintain the line and length of a narration and how to handle its peace, the slung and occasionally the spin. In fact, she has given me constant encouragement from the beginning till the end.

Special acknowledgements to Mr. Debanjan Chakrabarti (General Secretary, “Construction Workers Federation of India”) and S. K. Bose, General Secretary of the Building Association of Kolkata who helped me a lot to get all information for my research work. My parents, sister and my friends remained a constant source of inspiration during this difficult time. I needed for writing this book I also would like to thanks to different trade union members and last but not the least, due thanks must be given to the construction workers of Ultadanga, Gopalnagar, Bagha Jatin , Shova Bazar Rajdanga main road, Tollygunge and Kalighat who patiently answered all my queries.

If after all this help, if I have made any errors or mistakes, I have only myself to blame!
