ACKNOWLEDGEMENT

The author expresses his fathomless gratitude towards Dr. S. Mukherjee, Reader in Geology, University of Calcutta, who guided him and always tried to help him in many other aspects for which the author was unworthy.

The author also avails himself of the opportunity to express his sincere thankfulness towards Dr. A. Sen Gupta, Dr. A. K. Ghosh and Dr. C. Bhattacharyya who extended their co-operations unhesitatingly whenever the help was called for.

The author gratefully remembers the helps received from Dr. A. K. Banerji, Dr. A. K. Saha and Dr. A. K. Roy for the completion of the work.

The officers of Geological Survey of India, especially Dr. D. Halder, Mr. N. Das, Mr. P. C. Goswami, Mr. S. Ray helped the author in many ways and he is grateful to them.

The staff members of W. B. M. D. T. C. were thoroughly cooperative for the successful completion of field work. The author registers his gratitude towards them. In this connection he would always remember the help received from Mr. D. K. Das.

The fellow research scholars of the laboratory were helpful to him and he records his gratefulness to them.

The non-teaching staff members of the department of geology, C. U. were friendly towards the author and he would
always cherish this memory. Shri Parimal Biswas and Shri Rama Frasad helped the author in the best possible way.

The financial assistance from the UGC is gratefully recalled.

The author extends his gratefulness towards Mr. Subrata Chakraborty and Mr. Anjan Das who were keen in typing the manuscript and drafting the line drawings.

The author sends his best wishes and love to his friends Goutam, Sudhansu, Mamas, Matin, Rabin and many others for their immense help and co-operation.

And finally, the author ponders over those moments of happiness during the span of work and who planted the seeds of happiness in his mind.
