ACKNOWLEDGEMENTS

Firstly, I want to express my sincere gratitude towards my supervisor, Dr. Neelotpal Sen Sarma for his constant encouragement and giving me the independence to execute my ideas and carry out research under his able guidance.

I also extend my sincere gratitude towards Prof. N. C. Talukdar (Director, IASST), Emeritus Prof. Joyanti Chutia (Ex-Director, IASST), Prof. H. Bailung (HOD, Physical Sciences Division, IASST), Dr. Devasish Chowdhury and all the faculties of IASST for their valuable suggestions during my research tenure. I want to acknowledge my collaborators (Faculties/Scientists/Technical officers) Dr.Biman B. Mandal (IITG), Dr. Debajit Thakur (IASST), Dr.Nandana Bhardwaj (IASST), Dr.Nirab Chandra Adhikary (IASST) and student collaborators-Dilip Saikia (PSD, IASST), Sanjib Kalita (LSD, IASST), Raghuram Kandimalla (LSD, IASST) and Priyanka Sharma (LSD, IASST) for their help and inputs in my research work. I am grateful to Prof.Birinchi Kumar Das, HOD, Department of Chemistry, Gauhati University, my experts from Gauhati University-Prof. Dilip K Kakati and Prof.Diganta K Das and all faculty members of Department of Chemistry, Gauhati University for their valuable support and guidance during my Ph.D. I am thankful to my teachers from Department of Chemistry, B. Borooah College, family members, labmates and friends for their support. I am also grateful to DST and IASST for financial support and fellowship.
