First and foremost, I must bow in reverence to Almighty 'ALLAH' the cherisher and the sustainer to whom we entirely owe our all capabilities, strength, courage and knowledge without his blessings nothing can be done. My time at Aligarh Muslim University, Aligarh was made enjoyable in large part, due to many friends and groups that became a part of my life. I really loved their company. Here I would like to mention the names of few of them Mohd. Iftekhar, Mohd. Imran, Akhtar, Tanveer, Fuzail, Rashid, Waris, Ateeb, Mudassir, Faisal, Zaid, Sajid, Shams, Hilal. They have always stood by my shoulder during my difficult times.

I am at loss of words to thank my mother for her love, support and rare sacrifices. No amount of gratitude will suffice to my late father whose prayers sit behind me like a rock and help me to face all the difficulties of life. I will always keep on loving them. I am highly thankful to my sisters Asma, Sheeba and Shahana who have taken care of my mother during my absence and had given me the opportunity to complete my Ph.D. work. I always fall short of words to describe their support in words. Thank you all for showing faith in me, lifting me uphill in this phase of life and giving me liberty to choose what I desired. I owe everything to them and consider myself the luckiest in the world to have such supportive sisters, standing with me with their love and support. It is a pleasure to thank many of my closer ones back home Rizwan, Azharuddin, Naim, Azhar, Ahmad, Moazzam, Abid, Afsar, Jitendra, Umar, Arsh whom I miss every time. My sincere apologies are to those whose names have been left out due to constraints of time and memory.

Finally, I owe a deep sense of gratitude to University Grants Commission (UGC)

At the end, specially and sincerely, I would like to pay my warmest tribute to my glorious and esteemed institution, Aligarh Muslim University, Aligarh. I am at the dearth of words to express indebtedness towards my Alma Mater.
