LIST OF TABLES

Table Headings | Page No.
--- | ---
Table 5.1- Coverage of sample of SHG members by block | 162
Table 5.2- Years of membership of SHG members | 163
Table 5.3- Years of membership by type of agency supporting the SHGs | 163
Table 5.4- Age wise profile of respondents in study blocks | 164
Table 5.5- Educational profile of SHG members in study blocks | 165
Table 5.6- Educational profile of SHG members by type of SHG supporting agency | 165
Table 5.7- Income category of HH of respondent's | 167
Table 5.8- Income category by type of supporting agency of the SHG | 167
Table 5.9- Ownership of any milching cattle- Blockwise | 168
Table 5.10- Whether own any milching cattle by income category? | 168
Table 5.11- Whether sell milk - Blockwise | 169
Table 5.12- Whether sell milk - income category | 169
Table 5.13- Total monthly income by block | 170
Table 5.14- Total monthly income by type of supporting agency | 171
Table 6.1- Source of information about SHG | 178
Table 6.2- Frequency of meeting | 178
Table 6.3- Works undertaken in meetings | 179
Table 6.4- Details of other issues discussed in meetings | 180
Table 6.5- Who Conducts meetings & whether meeting conducted in absence of the functionary | 181
Table 6.6- Blockwise Interpretation of word empowerment | 184
Table 6.7- Interpretation of word empowerment by type of supporting agency | 184
Table 6.8- Reporting of whether women can speak and present their point during meeting | 189
Table 6.9a- Self-reported Calculation skills | 190
Table 6.9b- Where learned to calculate | 191
Table 6.10- Extent of contribution of group in improving calculation skills | 191
Table 6.11- Extent of impact on self-confidence- Blockwise | 194
Table 6.12- Impact on self-confidence by yrs of membership | 194
Table 6.13- Extent of Impact on Self-respect | 196
Table 6.14- Where and who all women would meet? - Cohort 2 years | 200
Table 6.15- For what duration Women made the visits- Cohort 2 years | 201
Table 6.16- Where and who all women would meet? - Cohort 4 years | 203
Table 6.17- For what duration Women made the visits- Cohort 4 years | 204
Table 6.18- Impact of group membership on relationship with husband | 215
Table 6.19- Empowerment at community level | 225
Table 8.1- Whether taken loan? - By block | 227
Table 8.2- Whether taken loan? - By type of supporting agency | 227
Table Headings

Table 8.3- Whether taken loan? -By years of membership 228
Table 8.4 -Whether taken loan by income category 228
Table 8.5 - Total no of times taken loan- Blockwise 229
Table 8.6- Total no of times taken loan- By type of supporting agency 229
Table 8.7- Total no of times taken loan- total income wise 230
Table 8.8- Minimum loan amount taken by block 230
Table 8.9- Maximum loan amount taken by block 231
Table 8.10- Minimum loan taken by category of income 231
Table 8.11- Max loan taken by total income of respondent 232
Table 8.12- Total number of times failed to pay loan instalment 232
Table 8.13- Purpose of loan- Blockwise 233
Table 8.14- Purpose of loan- by income category 234
Table 8.15- Percentage of Respondents Reporting Illness Incidences and Who Fell Ill During the Last One Year? 252

Annexure 2

Table 1- Impact on self-confidence xx
Table 2- Extent of Impact on Self-respect xxi
Table 3- Blockwise who all used to meet – Cohort 2 years xxii
Table 4- Blockwise - For what duration, Cohort 2 years xxiii
Table 5- Blockwise - With what frequency, Cohort 2 years xiv
Table 6- Blockwise - How much distance, Cohort 2 years xxv
Table 7- Blockwise who all used to meet – Cohort 4 years xxvi
Table 8- Blockwise - With what frequency, Cohort 4 years xxvii
Table 9- Blockwise - With what frequency, Cohort 4 years xxviii
Table 10- Blockwise - How much distance, Cohort 2 years xxix
Table 11- Impact of group membership on relationship with husband xxx
Table 12- Impact of group membership on relationship with husband xxxii
Table 13- Empowerment at group level xxxvii

Annexure 3

Table 1- Total loan amount taken by block xxxviii
Table 2-Total loan amount taken by category of respondent xxxviii
Table 3- Total loan taken by total income of respondent xxxviii
