LIST OF FIGURES

Figure G 4.1.1: Year-wise distribution of records in India and the world
Figure G 4.1.2: Number of Records by Document Type in India and the World
Figure G 4.2.1: Authorship pattern in India
Figure G 4.2.2: Single Author V/s. Multi-Author records in India
Figure G 4.2.3: Single V/s Multi-Authors in Environmental Science Research in India
Figure G 4.2.4: Lotka’s Law
Figure G 4.3.1: Cited and Not Cited records in environmental science research in India
Figure G 4.3.2: NCR, CR and ACPP
Figure G 4.3.3: P1-Year-wise citations of highly cited paper P1
Figure G 4.3.4: P1- Subject-wise distribution of citations of highly cited paper P1
Figure G 4.3.5: P1- Distribution of citations by Document Type of highly cited paper P1
Figure G 4.3.6: P2 - Year-wise citations of highly cited paper P2
Figure G 4.3.7: P2 - Subject-wise distribution of citations of highly cited paper P2
Figure G 4.3.8: P2 - Distribution of citations by Document Type of highly cited paper P2
Figure G 4.3.9: P3 - Year-wise citations of highly cited paper P3
Figure G 4.3.10: P3 - Subject-wise distribution of citations of highly cited paper P3
Figure G 4.3.11: P3 - Distribution of citations by Document Type of highly cited paper P3
Figure G 4.3.12: P4 - Year-wise citations of highly cited paper P4
Figure G 4.3.13: P4 - Subject-wise distribution of citations of highly cited paper P4
Figure G 4.3.14: P4 - Distribution of citations by Document Type of highly cited paper P4
Figure G 4.3.15: P5 - Year-wise citations of highly cited paper P5
Figure G 4.3.16: P5 - Subject-wise distribution of citations of highly cited paper P5
Figure G 4.3.17: P5 - Distribution of citations by Document Type of highly cited paper P5
Figure G 4.3.18: Bradford’s Law of Scattering
Figure G 4.3.19: Growth of Records, Authors, Pages, References and effect on citations
Figure G 4.3.20: Number of Records with and without References
Figure G 4.4.1: Domain wise Number of Records and the Citations
Figure G 4.4.2: Records and citations to the Domain of HTM
