Acknowledgements

I have been able to complete this work due to the help extended by many friends and well wishers. I wish to thank them all.

Dr. Suhas Palshikar supervised my work for Ph.D.. Dr. Palshikar's critical sensibilities and his constant concern for my work have helped me at various levels. My gratitude towards him is immense and goes beyond normal mention.

Prof. Dr. S.M. Golwalkar had collected most of Javdekar's writings for his own research purposes. It was very kind of him that he handed over these writings to the Dept. of Politics, University of Pune. It was only because of Dr. Golwalkar that I had an easy access to Acharya Javdekar's writings. I must thank him for his help.

I was benefitted by my discussions with Dr. Yashwant Sumant and Prof. Yogendra Yadav. These discussions helped me especially in the exercise of critical assessment of Satyagrahi Samajwad. I am thankful to both of them.

Dr. Gopal Guru, Dr. Rajendra Vora, Dr. V.K. Kshire, Dr. Surendra Jondhale, Dr. Ashok Chousalkar, Dr. Sanand More and Prof. G.P. Pradhan have helped me in a number of ways during the period of my work. My thanks are due to them all.

Similarly I was helped in many ways by friends like Suhas Kulkarni, Nitin Birmal, Shubharaj Buwa, Mahadeo Khude, Rajendra Sathe, Urmila Bhirdikar and Raghunath Kulkarni.
