5. The bank and the Government should assist them to participate in international trade fairs, exhibitions and conferences in order to expand the market for the products of SHG.

6. Effective and efficient training should be made on long term training module and it is suggested that an intensive training should be given in the areas of accounting, marketing, entrepreneurship, etc.

7. Banks should be directed to lend educational loans to the wards of SHGs and this would enable the members to invest the loan amount for productive purpose rather than for education.
