AKNOWLEDGEMENTS

The authoress is highly thankful to her supervisor, Dr. H. Prasad, Reader Deptt. of Geography, D.A.V. College, Azamgarh, for his guidance and suggestions, without which the completion of this work would have been difficult. Thanks are also due to Dr. K.D. Rai, Reader and head of Deptt. of Geography and my father, who accompanied me during fieldwork and typing. He also inspired and gave necessary suggestions, whenever required.

Since childhood, due to their cordial relations with my father, the very visit of some great geographers like Dr. R.L. Dwivedi, Dr. R.N. Tiwari, Dr. K.N. Singh, Dr. H.H. Singh and Dr. J. Singh, has nodoubt inspired me to study geography and I would like to remember them humbly for their well wishes to complete the present work.

Thanks are also due to Dr. H.N. Singh, the principal and members of the Geography Department of this college for their well wishes. The authoress highly feels greatful to Sri. K.N. Rai, Head Deptt. of English (D.A.V., College) and Sri I. Ahmad, Ex. head Deptt. of English (S.N. College Azamgarh) for the correction of manuscripts.

Lastly the authoress will like to thank all the government officials, farmers, weavers and businessmen, who gave necessary information without their own interest. The thanks are also due to Sri. S.S. Shrivastava, the computer typist who gave the final shape to this work.
