ACKNOWLEDGMENTS

I use this opportunity with profound pleasure to sincerely thank all the people who have been instrumental in helping me to complete this research work.

The most important distinguished person whom I wish to acknowledge my deepest and grateful gratitude is my supervising Teacher Dr. V. Mukunda Das. I would not have been able to complete this thesis without his valuable advice, generous guidance, motivation and constructive support.

Another very important person whom I wish to remember and thank always is Dr. G Chandramohan An, Director, MBA Department, College of Engineering, Thiruvananthapuram. His invaluable advice, assistance, encouragement and support extremely helped me throughout the process of completing this thesis.

I sincerely thank my Principal Dr. Joseph I. Injodey, Rajagiri College of Social Sciences, Kalamassery, Kochi for his understanding, supportive attitude, advice and help, which put me on the right path throughout the course of my research studies.

I would like to thank Dr. Mary Venus Joseph, Convener, Centre for Doctoral Research for her continuous source of motivation especially through the regular Research Scholar meetings at the College. My special thanks go to Shri Jude Antony Jacob, Secretary to Principal for his continuous source of inspiration and support. I also thank all faculties and research scholars at the Rajagiri College who offered help and support.
My sincere thanks are with Dr. Rejikumar, HOD, MBA Department, Ilahia College of Engineering and Technology, Ernakulam for his continuous source of motivation, assistance and support.

Finally, I would like to give my special thanks to my wife and children whose emotional support, patience and love enabled me to complete this work.
