ACKNOWLEDGEMENT

I find words inadequate to express my sense of gratitude to my supervisor Dr. T. G. Gopalan, M.A., M.Phil., Ph.D., Lecturer (SG) and Head of the Department of English (Retd), Pachaiyappa’s College for Men, Kanchipuram, who guided this study. As an ardent lover of English language and literature, he got himself enthusiastically involved in my research work and helped me in all the ways possible by offering valuable suggestions at every stage of my study and enabled me to complete the thesis in time.

My thanks are due to Dr. R. Gurumurthy, Registrar, Sri Chandrasekharendra Saraswathi Viswa Mahavidyalaya, Kanchipuram, for providing me an opportunity to take up this Ph.D research work in this esteemed university.

I am thankful to Dr. S. Balaji, Head of the Department of Chemistry and Science & Humanities of Sri Chandrasekharendra Saraswathi Viswa Mahavidyalaya, Kanchipuram, who magnanimously permitted me to make use of the computer to design the preamble work of this research and my special thanks are due to Dr. N. Chandramouliswaran, Senior Lecturer, Department of Mathematics of Sri Chandrasekharendra Saraswathi Viswa Mahavidyalaya, Kanchipuram, for his help in the mathematical suggestions in this research work.
I immensely thank Dr. N. M. Veeraiyan, President, Saveetha Medical and Educational Trust, who permitted me to carry out this research in his esteemed educational institution.

My cordial thanks are due to my beloved and respected Principal of my college, Dr. N. S. Venkataraman, Titanic aerospace engineer, who gave provincial encouragements by permitting me to make use of the facilities available in the college to execute this research work.

I sincerely thank Mr. B. Raju, M.Tech, faculty member of Information Technology, who helped me a lot in designing the software module, which is an integral part of this research work.

My grateful thanks are due to Mrs. Jayanthi Gunasekar, M.Lib.Sc., Librarian of Saveetha Engineering College, who provided me with Journals and system support for the documentation of the thesis.

My hearty thanks are due to Dr. S. Sareesh Chowdry, Professor and Head of the Department of English, IIT, Chennai and Dr. Gnanasamandan (Late), Assistant Professor in English, Anna University, Chennai, for having graciously permitted me to consult their personal libraries.

I thank my mother Mrs. Girija Ramachandran, M.A., M.Ed., who is a sponsor as well as a source of inspiration for me to do research in an enthusiastic manner and my special thanks are due to my wife Mrs. Srilakshmi, M.C.S., PGDCA., DCAM, for her creditable support and help in the documentation of the thesis.
I wish to convey my sincere thanks to my beloved elder brother, Mr. Sathyasarayan Sridhar, M.Tech., my uncle Mr. V. Sunderesan, M.A., M.Ed., and my aunt Mrs. S. Krishnasaroja Sunderesan, M.A., B.Ed., who often pray for my academic advancement.

I thank M/s Angelin DTP Works, Kodambakkam, Chennai, for their neat execution of laser duplicating and thesis binding.

I offer my prayers to GOD who has blessed me with good health and presides over every sentence that I have written.

R. GWARISHANKAR.
