# LIST OF TABLES

1.1 Statewise Distribution of JRY Beneficiaries by Social Groups ........... 19
1.2 Growth Rate of Production of major Crops All India ..................... 23
1.3 Growth Rate of Area Under Major Crops All India ....................... 24
1.4 Growth Rate of Yield of Major Crops All India ........................... 25
1.5 Food Situation at All India Level - Availability ......................... 26
1.6 Food Situation at All India Level - Availability and Distribution ....... 27
3.1 Net State Domestic Product - Karnataka ..................................... 70
3.2 Land Use Pattern - Karnataka .................................................. 71
3.3 Share of Area Under Major Crops by Districts - Karnataka .............. 73
3.4A District Wise Growth Rate of Area Under Major Crops - Period I
   Karnataka .................................................................................. 76
3.4B District Wise Growth Rate of Area Under Major Crops - Period II
   Karnataka .................................................................................. 77
3.5A District Wise Coefficient of Variation of Area Under Major Crops
   Period I, Karnataka .................................................................... 78
3.5B District Wise Coefficient of Variation of Area Under Major Crops
   Period II, Karnataka .................................................................... 79
3.6A District Wise Growth Rate of Production of Major Crops - Period I
   Karnataka .................................................................................. 81
3.6B District Wise Growth Rates of Production of major Crops - Period II
   Karnataka .................................................................................. 82
3.7A District Wise Coefficient of Variation of Production of Major Crops
   Period - I, Karnataka .................................................................. 83
3.7B District Wise Coefficient of Variation of Production of Major Crops
   Period - II, Karnataka .................................................................. 84
3.8A District Wise Growth Rates of Yield of Major Crops - Period I
   Karnataka .................................................................................. 85
3.8B District Wise Growth Rate of Yield of Major Crops - Period II
   Karnataka .................................................................................. 86
3.9A District Wise Coefficient of Variation Yield of Major Crops
   Period I, Karnataka .................................................................... 87
3.9B District Wise Coefficient of Variation of Yield of Major Crops
   Period II, Karnataka ........................................... 88
3.10 Per Capita Availability of Foodgrains - Karnataka ....................... 99
4.1 Land Classification in Mandya District, Mandya Taluk and
   Nagamangala Taluk ........................................... 108
4.2 Cropping Pattern in Mandya District, Mandya Taluk and
   Nagamangala Taluk ........................................... 111
4.3 Source Wise Irrigation in Mandya District, Mandya Taluk and
   Nagamangala Taluk ........................................... 112
4.4 Land Holding Pattern in Mandya District, Mandya Taluk and
   Nagamangala Taluk ........................................... 113
4.5 Demographic Features of Households ................................ 115
4.6 Category Wise Type of Land Owned ................................ 116
4.7 Land Distribution Pattern in Sample Villages ......................... 117
4.8 Agricultural Implement Assets of Households ........................ 118
4.9 Livestock Assets of Households ................................ 119
4.10 Consumer Durable Assets of Households .............................. 120
5.1 Distribution of Rice and Wheat in Karnataka and All India .......... 124
5.2 State's Share in All India Production and Distribution of Cereals .... 126
5.3 State Wise Per Capita Distribution of Cereals ........................ 128
5.4 State Wise Per Capita PDS Per Poor Population ....................... 129
5.5 State Wise Dependence on PDS for Consumption ....................... 131
5.6 Allotment of Commodities for PDS - Karnataka ....................... 132
5.7 Sector Wise, Month Wise Allotment of Rice - Karnataka ............. 134
5.8 Offtake of Essential Items - Karnataka ................................ 135
5.9 Variation in Monthly PDS Allotment and Offtake of Essential Items
   Karnataka ....................................................... 136
5.10 Month Wise Open Market Price and Issue Price of Rice and Wheat
   Karnataka ....................................................... 137
5.11 PDS Offtake and Price Relationship - Karnataka ....................... 141
5.12 PDS Offtake and Price Relationship for Selected Districts - Rice
   Karnataka ....................................................... 143
5.13 PDS Offtake and Price Relationship for Selected Districts - Wheat
Karnataka

5.14 Item Wise Share of Quantity and Value in Total Cereals

5.15 Quantity and Value of Purchases From PDS and Other Sources
by Broad Categories - Rice

5.16 Quantity and Value of Purchases From PDS and Other Sources
by Broad Categories - Wheat

5.17 Quantity and Value of Purchases From PDS and Other Sources
by Broad Categories - Jowar

5.18 Quantity and Value of Purchases From PDS and Other Sources
by Broad Categories - Bajra

5.19 Quantity and Value of Purchases From PDS and Other Sources
by Broad Categories - Other Cereals

5.20 Quantity and Value of Purchases From PDS and Other Sources
by Broad Categories - Total Cereals

5.21 Reasons for not Purchasing from PDS Partly or Wholly - Rice

5.22 Reasons for not Purchasing from PDS Partly or Wholly - Rice

5.23 Cereal Wise Category Wise Per Capita Subsidy from PDS

5.24 Class Wise Per Capita Purchase from PDS

5.25 Percentage Share of Rice Purchased from PDS in Total Rice Consumption and Total Rice Purchases

5.26 Class Wise Distribution of Ration Cards

6.1 Distribution of Households Cultivating Various Crops - Rainfed Area

6.2A Class Wise Area Under Major Crops - Rainfed Area

6.2B Class Wise Average Yield of Major Crops - Rainfed Area

6.3 Distribution of Households Cultivating Various Crops - Irrigated Area

6.4A Class Wise Average Area Under Major Crops - Irrigated Area

6.4B Class Wise Average Yield of Major Crops - Irrigated Area

6.5 Class Wise Per Capita Consumption of Cereals Rainfed Area

6.6 Relationship Between Per-Capita Consumption of Cereals
with Farm size and Household size- Rainfed Areas

6.7 Class Wise Share of Cereals in Total Cereal Consumption

6.8 Class Wise Source Wise Food Supply

6.9 Class Wise Source Wise Per Capita Expenditure on Food
6.10 Class Wise Per Capita Consumption of Cereals - Irrigated Area 190
6.11 Class Wise Share of Cereals in Total Cereals - Irrigated Area 192
6.12 Correlation of Per Capita Consumption of Cereals with Farm Size Household Size 192
6.13 Class Wise Source Wise Per Capita Food Supply - Irrigated Area 194
6.14 Class Wise Source Wise Per Capita Expenditure on Food Irrigated Area 196
6.15 Class Wise Per Capita Calorie Intake 198
6.16 Percentage Distribution of Households by Per Capita Calorie Intake by ICMR Norms 199
6.17 Percentage Distribution of Households by Per Capita Calorie Intake by Planning Commission Norms 200

7.1, Class Wise Quantity and Period of Storage of Cereals in Rainfed Area 208
7.2 Class Wise Quantity and Period of Storage of Cereals - Irrigated Area 209
7.3 Category Wise Per Capita Consumption of Cereals - Rainfed Area 213
7.4 Class Wise Seasonal Variation in Per Capita Consumption of Cereals Irrigated Area 214
7.5 Per Capita Consumption of Cereals - Irrigated Area 215
7.6 Class Wise Seasonal Variation in Per Capita Cereal Consumption Irrigated Area 216
7.7 Seasonal Variation in Per Worker Availability of Employment Rainfed Area 219
7.8 Seasonal Variation Per Worker Availability of Employment 221
7.9 Variations in Prices of Cereals 224
7.10 Class Wise Source Wise Employment per Worker - Irrigated Area 225
7.11 Class Wise Source Wise Per Capita Income - Rainfed Area 227
7.12 Class Wise Source Wise Per Capita Income - Irrigated Area 230
