ACKNOWLEDGEMENTS

I am thankful to the Almighty for gifting me an opportunity to pursue research in the area of my passion i.e. ‘Stock Market’. A glimpse over the past makes me feel that he has been constantly blessing me by bestowing with wonderful people in my life, who have always supported and guided me.

I am indebted to my grandparents, Shri. Lachman Dass & Smt. Radha Rani, and parents, Gopal Krishan Seth and Kanchan Seth, for inculcating good values in me, to live a virtuous life and in guiding me to face adversities with courage and calmness, which helped me in overcoming difficulties encountered during this research work. I am grateful to my mother, Kanchan Seth, for encouraging me in my educational endeavors while climbing the academic ladder. A special thanks for my Idol, My father Gopal Krishan Seth, who constantly encouraged me to devote my time to my passion.

I am lucky to have godfather like Dr. Jaspal Singh (my supervisor), Professor, Department of Commerce, Guru Nanak Dev University, Amritsar, whose absolute faith, continuous encouragement and invaluable guidance have been a constant source of inspiration while carrying out this work. I am grateful to him for enlightening me with productive discussions, insights and constructive feedback at every stage in improvising my knowledge and quality of this study. I would also like to express my gratitude to his wife, Dr. Sophia, who always met with optimism and appreciated my efforts for this research work.

I am thankful to Dr. Lakhwinder Singh, Head, Department of Commerce for providing research oriented healthy environment along the necessary infrastructure to carry out my research work. I would like to extend my thanks to the staff and authorities at Bhai Gurdas Library, Guru Nanak Dev University, for providing the resources and ensuring peaceful and conducive environment for research where I could read, explore and think.

I am immensely grateful to my loving life partner, Abha, for having faith and belief in me and my abilities. Thanks is not enough for her unmatched sacrifices and
adjustments made in course of completing this research work. A big credit goes to her for being my pillar of strength.

I am grateful to my inspiration, Reyaansh Seth, my 2 year old son, whose strong emotional bonding never made me give up, rather, strengthened me to achieve my goal.

I am thankful to my sister, brother-in-law, niece and nephew for their constant support and encouragement during the entire course of this study.

My special thanks to my friends Prabhdeep, Puneet, Jasneet and Arun who have been of great help and support during this research work.

My special thanks to my uncle, Mr. Sushil Jain and my teacher, Late Dr. Subhash Chander for always encouraging and grilling me with the application of concepts in stock trading. Miss you sir.

Dated:                  Sidharath Seth
