List of Tables

1.1 Summary of Literature Surveyed (Concept Based) 6
1.2 Summary of Literature Surveyed (Practise Based) 7
2.1 White Collar Crime vs. Blue Collar Crime 30
2.2 Fraud by Corporate Customers 32
2.3 Fraud by Corporate Employees 33
2.4 Fraud by Corporate Owners and Managers 33
2.5 Fraud by Corporate Vendors, Suppliers and Contractors 34
3.1 Financial Auditing vs. Forensic Auditing 60
3.2 Financial Auditor and Forensic Accountant 63
4.1 Geographical Distribution of Forensic Accounting Services (Firm wise) 82
4.2 Geographical Distribution of Forensic Accounting Services (Country wise) 82
4.3 Worldwide Fraud Responses 84
4.4 Worldwide Fraud Responses 112
4.5 Summarized Presentation of Worldwide Development of Forensic Accounting 119
5.1 Investigation into the Affairs of a Company as per Companies Act, 1956 127
5.2 Relevance of Legislation to Development in Forensic Accounting 141
6.1 Sample Size 145
6.2 Sample Size (According to Gender) 147
6.3 Sample Size (According to Designation) 147

Analysis of Common Questions:
6.4 Definition of White Collar Crime 148
6.5 Incidence of White Collar Crime over the Period 2002-2006 149
6.6 Understanding of the Word Forensic 150
6.7 Aim of Forensic Accounting 151
6.8 Forensic Accounting to be Used to Detect and Prevent White Collar Crimes 152
6.9 Frequency Chi Square Test 153

Analysis of Common Questions across Groups (PCA, NPCA and Academicians):
6.10 Definition of White Collar Crime 154
6.11 Incidence of White Collar Crime over the Period 2002-2006 155
6.12 Understanding of the Word Forensic 156
6.13 Aim of Forensic Accounting 157
6.14 Forensic Accounting to be Used to Detect and Prevent White Collar Crimes 158

Analysis of Common Questions across Gender:
6.15 Definition of White Collar Crime 159
6.16 Incidence of White Collar Crime over the Period 2002-2006 160
6.17 Understanding of the Word Forensic 161
6.18 Aim of Forensic Accounting 162
6.19 Forensic Accounting to be Used to Detect and Prevent White Collar Crimes 163
Analysis of Common Questions across Gender within PCA:
6.20 Definition of White Collar Crime 164
6.21 Incidence of White Collar Crime over the Period 2002-2006 165
6.22 Understanding of the Word Forensic 166
6.23 Aim of Forensic Accounting 167
6.24 Forensic Accounting to be Used to Detect and Prevent White Collar Crimes 168

Analysis of Common Questions across Gender within NPCA:
6.25 Definition of White Collar Crime 169
6.26 Incidence of White Collar Crime over the Period 2002-2006 170
6.27 Understanding of the Word Forensic 171
6.28 Aim of Forensic Accounting 172
6.29 Forensic Accounting to be Used to Detect and Prevent White Collar Crimes 173

Analysis of Common Questions across Gender within Academicians:
6.30 Definition of White Collar Crime 174
6.31 Incidence of White Collar Crime over the Period 2002-2006 175
6.32 Understanding of the Word Forensic 176
6.33 Aim of Forensic Accounting 177
6.34 Forensic Accounting to be Used to Detect and Prevent White Collar Crimes 178

Analysis of Common Questions across Designation among PCA:
6.35 Definition of White Collar Crime 179
6.36 Incidence of White Collar Crime over the Period 2002-2006 180
6.37 Understanding of the Word Forensic 181
6.38 Aim of Forensic Accounting 182
6.39 Forensic Accounting to be Used to Detect and Prevent White Collar Crimes 183

Analysis of Common Questions across Designation among NPCA:
6.40 Definition of White Collar Crime 184
6.41 Incidence of White Collar Crime over the Period 2002-2006 185
6.42 Understanding of the Word Forensic 186
6.43 Aim of Forensic Accounting 187
6.44 Forensic Accounting to be Used to Detect and Prevent White Collar Crimes 188

Analysis of Common Questions across Designation among Academicians:
6.45 Definition of White Collar Crime 189
6.46 Incidence of White Collar Crime over the Period 2002-2006 190
6.47 Understanding of the Word Forensic 191
6.48 Aim of Forensic Accounting 192
6.49 Forensic Accounting to be Used to Detect and Prevent White Collar Crimes 193

Analysis of Common Questions across Designation among PCA & NPCA:
6.50 Definition of White Collar Crime 194
6.51 Incidence of White Collar Crime over the Period 2002-2006 195
6.52 Understanding of the Word Forensic 196
6.53 Aim of Forensic Accounting
6.54 Forensic Accounting to be Used to Detect and Prevent White Collar Crimes

**Analysis of Specific Questions among PCA:**
6.55 Firm’s Policy to Deal with Fraud in the Client Organization
6.56 Cooperation of Managers with External Auditors with respect to Investigating Fraud Matters in Particular
6.57 Basis of Using Forensic Audit as a Fraud Management Tool
6.58 Forensic Accounting as Proactive Strategy to Provide Better Assurance to Client
6.59 Forensic Audit Assignments in the Corporate Sector Will Invite Competition
6.60 Frequency Chi Square Test

**Analysis of Specific Questions across Gender among PCA:**
6.61 Firm’s Policy to Deal with Fraud in the Client Organization
6.62 Cooperation of Managers with External Auditors with respect to Investigating Fraud Matters in Particular
6.63 Basis of Using Forensic Audit as a Fraud Management Tool
6.64 Forensic Accounting as Proactive Strategy to Provide Better Assurance to Client
6.65 Forensic Audit Assignments in the Corporate Sector Will Invite Competition

**Analysis of Specific Questions across Designation among PCA:**
6.66 Firm’s Policy to Deal with Fraud in the Client Organization
6.67 Cooperation of Managers with External Auditors with respect to Investigating Fraud Matters in Particular
6.68 Basis of Using Forensic Audit as a Fraud Management Tool
6.69 Forensic Accounting as Proactive Strategy to Provide Better Assurance to Client
6.70 Forensic Audit Assignments in the Corporate Sector Will Invite Competition

**Analysis of Specific Questions for NPCA:**
6.71 Statutory Financial Audit is Adequate for Detecting and Preventing Accounting Fraud
6.72 Frequency of Occurrence of White Collar Crime Is Inversely Related to the Degree of Employee Loyalty
6.73 Fraud Detection Mechanisms Used by an Organization
6.74 Ideal Fraud Prevention Mechanism for an Organization
6.75 New Opportunities to the Practising Accountants due to Forensic Audit
6.76 Frequency Chi Square Test

**Analysis of Specific Questions across Gender among NPCA:**
6.77 Statutory Financial Audit is Adequate for Detecting and Preventing Accounting Fraud
6.78 Frequency of Occurrence of White Collar Crime Is Inversely Related to the Degree of Employee Loyalty
6.79 Fraud Detection Mechanisms Used by an Organization
6.80 Ideal Fraud Prevention Mechanism for an Organization
6.81 New Opportunities to the Practising Accountants due to Forensic Audit

**Analysis of Specific Questions across Designation among NPCA:**
6.82 Statutory Financial Audit is Adequate for Detecting and Preventing Accounting Fraud
6.83 Frequency of Occurrence of White Collar Crime Is Inversely Related to the Degree of Employee Loyalty
6.84 Fraud Detection Mechanisms Used by an Organization
6.85 Ideal Fraud Prevention Mechanism for an Organization
6.86 New Opportunities to the Practising Accountants due to Forensic Audit
6.87 Preference Table for NPCA
6.88 Row Percentages Table
6.89 Column Percentages Table for the Subject Criminology
6.90 Column Percentages Table for the Subject Forensic Audit and Accounting
6.91 Column Percentages Table for the Subject Human Psychology
6.92 Column Percentages Table for the Subject Morality and Ethics

**Analysis of Specific Questions for Academicians:**
6.93 Dominant Motivation behind White Collar Crime
6.94 Steps that Can Be Taken by Organization to Discipline Employees against Committing Fraud
6.95 Dealing with Long Serving Employee Found Committing Fraud
6.96 Organization’s Policy to Take Action against Fraud
6.97 Ways to Make First Line Managers or Supervisors in an Organization Aware of Fraud Detection
6.98 Frequency Chi Square Test

**Analysis of Specific Questions across Gender among Academicians:**
6.99 Dominant Motivation behind White Collar Crime
6.100 Steps that Can Be Taken by Organization to Discipline Employees against Committing Fraud
6.101 Dealing with Long Serving Employee Found Committing Fraud
6.102 Organization’s Policy to Take Action against Fraud
6.103 Ways to Make First Line Managers or Supervisors in an Organization Aware of Fraud Detection

**Analysis of Specific Questions across Designation among Academicians:**
6.104 Dominant Motivation behind White Collar Crime
6.105 Steps that Can Be Taken by Organization to Discipline Employees against Committing Fraud
6.106 Dealing with Long Serving Employee Found Committing Fraud
6.107 Organization’s Policy to Take Action against Fraud
6.108 Ways to Make First Line Managers or Supervisors in an Organization Aware of Fraud Detection
