ACKNOWLEDGEMENT

I express my deep sense of gratitude to my research guide and supervisor Dr. (Mrs.) Neela Deshpande, Reader, Department of Library and Information Science, University of Pune for all the inspiration and guidance she provided during this period. She suggested number of innovative ideas regarding various aspects of research, and supervised my work with patience and understanding. She was all along the chief motivating force and provided every possible support during the course of present study. This has left me with a sense of unforgettable gratitude.

I am very grateful to the authorities of University of Pune, especially the Vice-Chancellor for granting me permission and sanctioning the necessary study-leave to pursue my cherished dream of research work.

I take this opportunity to express my sincere thanks to Dr. S.K. Patil, Librarian and Head, Department of Library and Information Science, University of Pune for his wholehearted support in various ways.

Dr. S.G. Mahajan, Former Librarian and Head, Department of Library and Information Science, University of Pune took keen interest in my research work. Initial discussions with him helped me to design the present research work. I express my sincere thanks for his help and inspiration.

I sincerely thank Dr. Edward Fox, Director, Digital Library Research Laboratory, Department of Computer Science, Virginia Tech VA USA, Prof. Gary Marchionin, School of Information Science, University of North Carolina at Chapel Hill USA; Prof. Ian Witten, Department of Computer Science, University of Waikato, New Zealand and Prof. Hscch-Hua-Chen, Professor, Department of Library and Information Science, National Taiwan University, Taiwan who helped me in crystallizing my ideas about
the subject matter of the study. Their constructive suggestions and advice removed all my doubts.

I must make a special mention of fruitful discussions with Dr. Abhijeet Lahiri and Mrs. Sridevi Ravindran, of NISSAT, New Delhi, Dr. (Mrs.) Shalini Urs, of Mysore University, Dr. I.K. Ravichandra Rao and Dr. A. R. D. Prasad of DRTC, Mr. Karkhanis, Mr. Srinivas Pownikar C-DAC Technical Library, Pune. Mr. Nana Shewale of British Library, Pune, Mrs. Asha Bhattacharya from the American Center Library, Mumbai, Mr. Kishore Ingale of the Reserve Bank of India, Mumbai and Mrs. J.A.Tilak for making practical suggestions to carry out this research work.

I express my special thanks to Mrs. Asha Umarani, Lecturer, Dept.of Library and Information Science, University of Pune, Mr. N. B. Dahibhate, NCL Library, Mrs. Shubhada Nagarkar Bioinformatics Center, University of Pune for making fruitful suggestions.

I thankfully acknowledge the help and support received from Dr. Eknath Altekar, Philosopher whose constant inspiration throughout the work enabled me to complete this work within the stipulated period of time.

The staff members of the Jayakar Library, University of Pune have extended all possible help throughout the research work. Without their moral support and best wishes it would not have been possible for me to complete this work within the right time.

Thanks are also due to all the Librarians of Indian University who promptly filled up the questionnaire and provided me the necessary information.
Special thanks are due to Mr. Lynne Grigsby Standfill, Manager, Digital Publishing Group, University of California, Berkeley; Tony Gargnelutti, Project Director, Australian Digital Theses Program, University of New South Wales, Sydney, Australia; James Allan, Oxford Digital Library, Oxford University, Oxford and P.Dooren Bosch, Koninklijke Bibliotheck, The Hague, Netherlands for providing detailed information about their digital library projects.

I owe a lot to my family members for being supportive and for encouraging me at every stage of research. I would like to put on record my indebtedness to my mother, my wife, and my daughters for patience and understanding that they have harbored for a long time.
