ACKNOWLEDGEMENTS

I would like to acknowledge and extend my profound and heartfelt gratitude to my thesis adviser Dr. MR. Nandgaonkar for his expert guidance, constant encouragement, constructive and inspiring advice during the entire period of this research work. I am deeply indebted to him for his stimulating suggestions and encouragement, which helped me in all time of research and writing of this thesis. He was always there to listen and give advice.

Special thanks go to Dr. D.W. Pandey, Head of Department, Mechanical Engineering Department of COEP for his support and fruitful guidance during 2007-2010. His constant encouragement and advice helped me a lot during this period. Beside my thesis adviser, I am thankful to Dr. A D Sahasrabudhe, Director College of Engineering Pune, Dr S N Sapali, Dr G V Parishwad, Dr R.B Ingle, Dr A A Latey of Department Mechanical Engineering of COEP for their help in conducting some experiments. It was my pleasure to be associated with Engine and chemical Test Laboratory of 512 Army Base Workshop, Kirkee, Pune.

I would like to thank all my associates in the lab, whose company made me enjoyable to work with them. I would also like to thank all the staff members of Engine Test Laboratory who helped me during engine experiments. I am also thankful to Alka for her helps during thesis preparation. I am also thankful to P R Dhamangaokar and N K Chougule, whom company during my stay in college of Engineering, Pune made life easy and enjoyable.

I am thankful to Army Headquarter, Military Training, New Delhi, for sanctioning study leave and Brigadier NK Dutta, commandant and Managing Director, 512 Army Base Workshop, Kirkee, Pune for sponsoring me for this research.

I would like to express my sincere thanks to all professors at college of Engineering, Pune, specially, Dr.MJ Rathod, Head, Metallurgy Engineering Department and Dr.(Mrs) Rajhans of Production Engineering Department for their support and encouragement during this research.

I am thankful to my mother Mrs Prabhavati Pandey, father Late Shree Bhagwan Pandey, mother in law Mrs Pushpa Tripathi, father in law Mr. S.S Tripathi, family members, brothers and sisters for their moral support.
I am deeply indebted to my wife Alka, who suffers a lot during my absence at home and take up pains for managing family affairs during my absence. I would like to give special thanks to my wife and sons Akrish and Umang whose patient love enabled me to complete my research.

Last but not the least, I would like to express my thanks to all those helped me directly or indirectly for successful completion of this work.

(Colonel Anand Kumar Pandey)
