List of Tables

Chapter II

CHANGES IN AGRICULTURAL LAND USE PATTERN:
TEMPORAL ANALYSIS
Table: 2.1 Total Cereals as percentage To Gross Cropped Area
Table: 2.2 Cereals as percentage to Total Area Sown Under Cereals
Table: 2.3 Total Pulses as Percentage of Gross Cropped Area
Table: 2.4 Foodgrains as Percentage of Gross Cropped Area
Table: 2.5 Sugarcane as Percentage to Gross Cropped Area
Table: 2.6 Total Oilseeds as percentage of GCA

CHAPTER III

INFRASTRUCTURE AND AGRICULTURE DEVELOPMENT
INFRASTRUCTURE IN GENERAL
Table: 3.1 Gross Irrigated Area
Table: 3.2 Fertilizer Consumption
Table: 3.3 Credit To Agriculture
Table: 3.4 Percentage of villages electrified
Table: 3.6 Coefficient of Variation
Table: 3.7 Correlation Results

CHAPTER IV

ROLE OF AGRO PROCESSING INDUSTRIES IN RURAL DEVELOPMENT
Table: 4.1 Importance of agro-industrial Sector in India
Table: 4.2 Performance Of Agro-Industry: Comparing Pre-Reform With Post-Reform Periods
Table: 4.3 Importance of Selected Food Industries in the Agro-food Industry Sector
Table: 4.4 Some Structural And Financial Features Of Agro-Industry In India
Table: 4.5 Structural And Financial Features Of Agro-Industry In India
Table: 4.6 Food Processing Industry Proportion Of All Industries
Table: 4.7 Unorganized & Organised Food Processing Sector As Percent Of Total Food Processing Sector
Table: 4.8 Employees per Enterprise in Unorganized Food Processing Sector Uttar Pradesh
Table: 4.9 Proportion Of Food Processing Industry In Uttar Pradesh As Percentage Of All India
Table: 4.10 Distribution Of Food Processing Industry In State As Percent Of All India
Table: 4.11 Productivity In Food Processing Industry

CHAPTER V
PROFILE OF SAMPLE VILLAGES AND HOUSEHOLDS
Table: 5.1 Village Level Household and Population Composition
Table: 5.2 Village wise Compound Annual Growth Rate of Population
Table: 5.3 Education Infrastructure at Village Level
Table 5.4 Village wise Availability of Medical Facility
Table: 5.5 Availability of Drinking Water Facility
Table: 5.6 Drinking Water Source during Summer
Table: 5.7 Availability of Communication Facilities
Table:5.8 Distance of Village From Road and Mill
Table: 5.9 Type of Road Facility
Table: 5.10 Availability of Transport Facility
Table: 5.11 Availability of Market Facility
Table: 5.12 Availability of Power Supply
Table: 5.13 Source Of Irrigation Facility
Table: 5.14 Gross Irrigated Area to Gross Cropped Area
Table 5.15 Compound Annual Growth Rate of Irrigated Land
Table: 5.16 Availability of Credit Facility
Table 5.17 Sex Wise Distribution Of Household Head
Table 5.18 Age-Group of Household Heads (%)
Table 5.19 Educational Level of the Heads of the Household
Table 5.20 Occupation of the Head of the Household
Table 5.21 Type Of Family (In %)
Table 5.22 Family Size Of Sample Households (%)
Table: 5.23 Source of Irrigation at Household Level
Table: 5.24 Agricultural Machinery
Table: 5.25 Number of Farm Animals
Table 5.26 Cost Of Cultivation For Sugar Cane (Rs/Bigha)
Table 5.27 Cost of Cultivation for Mustard (Rs/Bigha)
Table 5.28 Disposal Agency of the Produce
Table 5.29 Reason for Growing Sugarcane/Oilseeds on the Holding
Table: 5.30 Growing More Cash Crop than Last Decade

CHAPTER VI
INTERLIKAGES BETWEEN AGRICULTURE, AGRO-PROCESSING AND INFRASTRUCTURE FACILITIES
Table 6.1 Agency For The Disposal Of Produce (%)
Table: 6.2 Percentage Distribution of Household According to Yield of Oilseeds and sugarcane.
Table: 6.3 Correlation Results for Agro-industrial Linkages-Agra
Table:6.4(a) Stepwise Regression Results
Table: 6.5 Correlation Results for Agro-industrial Linkages-Muzaffarnagar
Table:6.6(a) Stepwise Regression Results
Table:6.6(b) Stepwise Regression Results
