ACKNOWLEDGEMENTS

The completion of this research work would not have been possible without the encouragement, help and support of many individuals. It is my privilege to thank the people who have supported and guided me throughout this research work.

I am grateful to Dr. T. Banumathy, chancellor of St. Peter’s University, Chennai for having given me an opportunity to educate myself in the University.

The completion of this research work would not have been possible without the encouragement, help and support of many individuals. It is my privilege to thank the people who have supported and guided me throughout this research work.

I record my deep sense of gratitude to Dr. Francis C. Peter Vice Chancellor, Dr. M.A. Dorairangaswamy, Registrar, St. Peter’s University, Chennai and Dr. S. Gunasekaran, Dean (R&D) for their encouragement and support during my research work.

I would like to express my thanks to Dr. R. Gayatri, Professor and Head, Department of Management Studies, St. Peter’s University, Chennai who gave valuable suggestions and moral support to complete my thesis work.

I hereby express my deep sense of gratitude to my Research Supervisor Dr. A. Manorselvi, Associate Professor, Department of Management Studies, St. Peter’s College of Engineering and Technology, for her valuable guidance, support and encouragement throughout the study. I owe her my heartfelt thanks for spending her precious time or discussing the problem as and when needed without any hesitation which helped me a lot to complete this thesis work.
I hereby express my deep sense of gratitude to my first Expert Committee member Dr. K. Maran, Director, Sri Sai Ram Engineering College, Chennai, who gave detailed ideas for writing my thesis effectively and efficiently.

I am indebted to my second Expert Committee member Dr. S. Paneer selvam, Assistant Professor, Department of Management Studies, St. Peter’s University, Chennai who gave valuable suggestions and moral support to complete my thesis work.

Finally, I would like to thank all those who were directly or indirectly helpful in carrying out this research.
