ACKNOWLEDGEMENT

I would like to gratefully acknowledge the enthusiastic supervision of Dr.K.Manisekar, Professor, Department of Mechanical Engineering, National Engineering College, for his keen interest, inspiring guidance during all stages of my work. His enthusiasm, his inspiration, and his great efforts helped me to make things possible. The dissertation work would have been impossible without his involvement. I express thanks to Dr.Kn.K.S.K.Chockalingam, Director, Dr.S.Shanmugavel, Principal, Dr.K.Kalidasamurugavel, Professor and Head, and Dr.D.Ravindran, Professor, National Engineering College, Kovilpatti for their kind support.

My sincere thanks goes to the Doctoral Committee members Dr.T.Christopher, Professor & Head, Department of Mechanical Engineering, Government College of Engineering, Tirunelveli and Dr.T.Sornakumar, Professor, Department of Mechanical Engineering, Thiyagarajar College of Engineering, Madurai for their continuous guidance. I express my gratitude to Dr.V.Manikandan, Professor, Department of Mechanical Engineering, Kalasalingam University for their encouragement and support. I am extremely indebted to Dr.S.Arulkrishnamoorthy for his constant support and guidance.

I also thank the faculty and non-teaching staff members of the Department of Mechanical Engineering, National Engineering College, Kovilpatti, for their valuable support. My deepest thanks must go to my father Sri. M.Muthiah and my mother Smt. A.Athirshtalakshmi who made my education possible. Special thanks to my wife Mrs.P.Sathiasheela, my kids K.Jana and K.Shakshika for their understanding, endless patience, and encouragements. I also thank the family members of my sisters Mrs. M.Prabha and Mrs. M.Suganaya for their kind support.
