Acknowledgements

Many people helped me in writing this thesis and it is my duty to acknowledge them.

First of all, I am indebted to Prof. Ganganath Jha, without whose continuous help and guidance, work would not have been completed. He has been a source of inspiration at every level of this work and working under him has been a privilege.

I express my deepest gratitude to Prof. Mamohini Kaul, and other faculties of the centre who discussed my topic and provided important inputs.

I am thankful to the Royal Thai Embassy staff in New Delhi who offered me booklets and information related with my thesis whenever I approached them. They also gave me an opportunity to meet tourism professionals, experts and policy makers from the Thai government. I am also grateful to Mr. Montree Wiwasukh, who continuously provided me updated statistics on Thai tourism from Thailand itself.

I must extend my thanks to the library staffs of the central library of Jawaharlal Nehru University (JNU), Sapru House, Institute of Defence and Strategic Analysis (IDSA) and Teen Murti. I would also like to thank my centre staff, Asha Sharma, Usha Kapoor and Dheer Singh for their necessary support.

I am indebted to my mother Smt. Prabha Bhagat and father Late Prof. Punyanand Bhagat for moral and economic support and to my brothers Anurag & Anupam, to my sister-in-laws (Bhabhi) Padma Priya and Dr. Shilpa for selflessness and unfailing assistance throughout my academic career. I would also thank my nieces Anushka, Anupriya and Rachika for not disturbing during my work.

I would like to extend the note of thanks to my in-laws and other members of the family for encouraging me to finish my work.

I also convey my sincere thanks to all my friends who rendered me necessary help and support during my research work. Among these, Tanu Kashiyap, Bhavna Suman, Major Aditya Singh, Paptop Konwar, Juanita Kakoty Shah and Monika Pandey are few names who have offered me their services and support continuously. Apart from them another important person whom I cannot forget to mention is Kanchan Sinha who has consistently given me moral and technical support, and provided me her precious time to help with my data analysis. I would also like to convey my sincere thanks to seniors Dr. Amit Singh, Dr. Kamala Kumari and Mounita Ghosh, for their unfailing assistance, conceptual discussion and valuable suggestions.
Last but not the least I shall never forget my husband Manoj Kumar for his constant, encouragement and support during the years over which this thesis is written and for his tireless assistance in the editing process, for his diligent and dedicated effort in providing literature, information, valuable suggestions, critical comments, reading and checking drafts arranging and editing my final work and above all, his moral support has given me strength me to work, I thank him from the core of my heart.
